City to Save On Land for Sewer Plant

By HARRY BARNES
Press-Record Staff Writer

A new agreement between Granite City and the U. S. Army Corps of Engineers under which the city will lease 20 acres of land at the Granite City-Army installation without cost was authorized by the City Council in a special meeting Friday night. The city will avoid all lease payments, including those now being made, in exchange for treating sewage from the Army base.

The 20 acres are needed as a site for construction of secondary treatment facilities which must be built under present federal and state deadlines of Dec. 31, 1973.

The tract acquired by the lease agreement adjoins 14 acres on which the city's present primary sewage treatment plant is located.

The council approved the lease proposals by a 10 to 1 vote after Mayor Donald Partney, who called the special council meeting, told the aldermen he had negotiated a new agreement with the General Services Administration at Omaha, Neb.

Under the new plan, the council may lease the 20-acre tract, an \$800 diamond wedding ring without rental charge. And the \$133 per month the city now pays for the present 14-acre primary treatment plant site will be ended.

Assessment Official Dale Hilt Succumbs

Dale Sidney Hilt, 54, of 1511 Second St., Madison, supervisor of assessments for Madison County since the post was created in late 1970, was pronounced dead upon arrival at Centerville Township Hospital at 4:30 p.m. Saturday.

He was visiting with friends in Fairmont City when he became ill and was taken to the hospital by ambulance.

Born in Maroa, Ill., he had resided in the Quad Cities 45 years.

Mr. Hilt was elected as clerk of the probate court on Nov. 7, 1956, and served in that capacity until he resigned on Sept. 1, 1965.

He moved to Utah because of ill health and returned here in June 1966 when he became clerk of the Madison County Board of Review.

He was appointed as the first county supervisor of assessments on Dec. 22, 1970, by the Madison County Board of Supervisors and remained automatically as clerk of the review board.

At one time he was associated with his mother in the operation of the Madison Republic, a weekly newspaper, and formerly was employed on a part-time basis as a type setter by the Press-Record.

Mr. Hilt was a member of St. Bartholomew Episcopal Church in Granite City and belonged to the Venice-Madison American Legion Post 307, Veterans of Foreign Wars Post 1398, Masonic Lodge 877 and Scottish Rite Bodies.

Survivors include a son, Thomas Hilt of Madison, one daughter, Mrs. Grant (Marilyn) Rickey of Collinsville, two sisters, Mrs. Geraldine Fields and Miss Dorothy Hilt, and his mother, Mrs. Irene Hilt, all of Monterey Park, Calif.

Funeral arrangements are given in the obituary column.

Burglars Get \$4,790 Loot at Home Here

Jewelry and postage stamps valued at \$4,790 were stolen in a burglary of the home of Barbara Johnston, 2114 State St., she reported at 1:05 a.m. Saturday.

Missing were a \$700 mink coat, an \$800 diamond wedding band, a \$500 diamond dinner ring, two diamond matching bands valued at \$800.

Two diamond lady's watches valued at \$750, a man's diamond watch valued at \$400, a \$400 pearl necklace, costume jewelry valued at \$300 and five rolls of eight-cent stamps valued at \$50.

QUEEN OF ALL she sees beams down upon her royal subjects. Her dominion was the 1972 Homecoming program of Granite City High School, held Thursday night in the GCHS gymnasium. The new Homecoming Queen, last to be chosen before a second high school is opened in the district, is Miss Kathy Gusewelle. The crowning followed a performance of "Thurber's Carnival."

Commercial Laundry Proposed

Plans for construction of a \$150,000 commercial laundry building in Granite City will be presented to the Granite City Council for consideration tonight.

Charles Todd, owner of the Plan Commission Thursday afternoon. The commission also

Service, said Thursday he is ready to begin construction as soon as council approval is given.

The proposal was recommended by the Granite City Plan Commission Thursday afternoon. The commission also

home which never was built, it was said.

Todd said the family-owned firm has been in operation 92 years and has been serving this area from the St. Louis plant since 1910.

He said the company now has 14 facilities in Illinois, Missouri, Kentucky, Indiana and Tennessee. Among the plants in this area, besides the plant and corporate headquarters in St. Louis, are facilities at Highland and Clinton.

The total cost of the plant, including construction, land and furnishings and equipment will be about \$250,000, Todd disclosed. The building here is to total 14,400 square feet.

The local plant is to employ about 56 persons when it opens

on the project is expected to get underway within two to three weeks because preconstruction conferences between the builders and highway engineers already have been held.

Below Estimate
Bids on the Route 203 job were received by the State Department of Transportation at Springfield Sept. 15. The highway department said at that time that a contract was almost certain to be let because the Calhoun firm's bid was 4.6% below the state's engineering estimate of \$3,967,996.

A bid call for the improvement was placed after Governor Richard B. Ogilvie, in a visit here Aug. 11, announced the project would be revived for action this year.

Although the job had been in the planning stage for five years, it became stalled in late 1971 after the state failed to receive any bids on the work in several bid calls.

A spokesman at the district highway office at Fairview Heights said Friday that work

Kathy Gusewelle Chosen as Queen

By VALERIE EVENDEN
Press-Record Staff Writer

Miss Kathy Gusewelle was crowned Homecoming Queen in an impressive ceremony conducted Thursday evening in Memorial Gymnasium at Granite City High School.

An audience of more than 1,200 persons viewed the ceremonies which climaxed a performance of "Thurber's Carnival," a collection of skits written by James Thurber and presented by students from the high school speech department.

Miss Gusewelle is the daughter of Mr. and Mrs. Kenneth E. Gusewelle, 2419 Pine St. She received her crown of office from Miss Paula Krieschok, the 1972 May Queen.

Her coronation marks the last time a single high school will be represented with a homecoming queen in Granite City. By next fall, a second high school is expected to be in operation and its student body will choose its own queen, Richard King, GCHS speech instructor, commented.

Works at Hospital
Miss Gusewelle was escorted by Dane Carney.

During her senior year at high school, she is enrolled in the Cooperative Education and Campus Program jointly sponsored by St. Elizabeth Hospital and the Granite City School District.

The program permits students to become familiar with various health services occupations by working several hours each day at the hospital while continuing to study academic subjects at school. Miss Gusewelle works in the X-ray department at the local hospital.

Candidates for Homecoming Queen were selected by the senior class members with school-wide balloting taking place to choose the top candidate.

910 students in Class of 1973 selected Miss Gusewelle as their homecoming queen.

A total of 910 students comprised the 1972 senior class at Granite City High School.

Attendants in the Homecoming Court were Misses Becca Ashcraft, Cathi Batson, Pat Beljanski, Janice DeWitt, Paula Duncanson, Becky Halbrook, Sally King, Kathy Lore and Donna Portell.

Formal pages, Misses Leslie Barnett and Melanie King, announced the winning queen candidate. Also serving as

State Session For Property Tax 'Freeze'

Gov. Richard B. Ogilvie today called a special session of the legislature to freeze real estate taxes immediately and to work for property tax reductions in 1973.

He called the special session for Nov. 26 to run concurrently with an already scheduled resumption of the regular session of the General Assembly.

Gov. Ogilvie's action was based on the early receipt by the state government of \$100 million annually from federal revenue sharing and an extra \$45 million bonus this year.

Cities and counties in Illinois will receive \$200 million annually in direct revenue sharing funds, plus a one-time bonus this year of \$90 million additional.

The U. S. Senate Friday approved the revenue sharing bill 58-19. The House gave approval Thursday to the conference committee report which reconciled House and Senate differences.

Granite City is to receive \$482,000 and Madison \$130,000. Ogilvie outlined his plans in a statement which was sent to each member of the General Assembly today. He charged the legislature to:

—Freeze all property taxes at present levels.

—Permit real estate tax rebates of 10% or more by city, township and county governments.

—Begin state participation in paying as much as 60% of the cost of building new local schools.

The governor also called for:

—Increase the state's contribution to schools.

—Revise the state's school aid formula.

Gov. Ogilvie declared: "We can achieve a reduction in real estate taxes. It is long overdue and will provide badly needed relief for the homeowner and farmer—and for renters as well."

"The time between now and Nov. 26 permits adequate preparation for speedy action on the program. Passage of necessary legislation this year will guarantee relief on the 1972 property tax bills payable next year."

Under the state constitution, the legislature during a special session can consider only those matters included in the governor's call.

It has not been uncommon in Illinois to have one or more special sessions in progress during regular session.

In reviewing the progress of tax reform in the state, Ogilvie declared that upon taking office "we found a tax system that had strayed from a fair course about as far as it is possible to stray." He continued:

"Prior to the enactment of the Illinois income tax, this state had the most regressive state and local tax system in the nation."

"No other state showed such a large disparity between tax burdens on low and middle-income families, as contrasted with those of high-income families."

Ogilvie termed property taxes "outmoded" as the basic source of local funds. He continued: "The value of property is

Major Improvement of Highway 203 to Begin

Reconstruction of Route 203 into a four-lane highway from the north city limits of Granite City to Interstate-270 at Mitchell will begin within the next two to three weeks, state highway engineers said Friday following the letting of a contract for the 2.4-mile improvement.

The project also will include improvement of the Maryville Road intersection which will be raised and repaved on both sides of Route 203 to conform with a higher elevation of the improved highway. One-half mile of Maryville Road will be repaved.

Contract for the project was awarded Thursday in Springfield by the Illinois Department of Transportation to the Calhoun County Contracting Co., Springfield, on a low bid of \$3,796,137.

A spokesman at the district highway office at Fairview Heights said Friday that work

on the project is expected to get underway within two to three weeks because preconstruction conferences between the builders and highway engineers already have been held.

Below Estimate
Bids on the Route 203 job were received by the State Department of Transportation at Springfield Sept. 15. The highway department said at that time that a contract was almost certain to be let because the Calhoun firm's bid was 4.6% below the state's engineering estimate of \$3,967,996.

A bid call for the improvement was placed after Governor Richard B. Ogilvie, in a visit here Aug. 11, announced the project would be revived for action this year.

Although the job had been in the planning stage for five years, it became stalled in late 1971 after the state failed to receive any bids on the work in several bid calls.

Elderly Set in Their Ways, But Can Learn New Tasks

Despite many opinions that elderly persons are unalterably set in their ways, they can learn new tasks, says Anthony Traxler, psychology professor at Southern Illinois University at Edwardsville.

"Older people can learn almost anything, but it's important to remember that what they already know must be built on," Traxler said. "To teach new tricks, it's necessary to modify the old tricks first."

Traxler, only 33 himself, has made aging one of his interests in the field of psychology. He recently presented a paper at the American Psychological Association convention in Hawaii that gave some support to the "rigidity hypothesis" in older persons.

"The rigidity hypothesis states that competition between new information and old habits can interfere with learning new tasks," Traxler said. "Of course, the older a person is, the more habits he usually has developed and therefore learning new things may be difficult. The big question is why is there this interference with learning and how can we adjust for it?" Traxler said the elderly seem to have particular difficulty when they must attach a new response to an old stimulus. He uses an example of an elderly person who has driven a car with a standard transmission for 45 years and all of a sudden must learn to drive a car

with an automatic transmission.

Situation is Same

"The general situation is the same because a car is a car," Traxler said. "But there are obvious important differences. The elderly driver might push down to find the clutch out of habit, but instead hit the brake pedal and go flying forward. If he can learn in a modified setting, gradually, that would be best. For instance, it might be ideal to start in a dual control car."

Rigidity is generally increased among older people who must perform a new task under severe time restrictions, Traxler said. He said younger subjects in experiments tend to be "task specific," responding quickly if that is called for, responding slowly if speed is not vital.

"But we've found that older persons tend to respond at one rate, no matter what the task," he said. "A piece of knowledge like this—which may not appear too significant—nevertheless has important implications for job criteria used in employing the elderly. If a particular job doesn't require speed, why give the elderly applicant a timed test?"

Traxler, who earned his Ph.D. from Pennsylvania State University before coming to SIUE in 1968, said increased attention is being paid to the elderly. He believes part of the reason is

Burglars Seek Drugs, None in Dental Office

Burglars, apparently seeking narcotics, ransacked the dental offices of Dr. Jack Miller, 2561 Madison Ave., it was reported at 7:30 a.m. Friday.

Dr. Miller advised that his office does not contain narcotics. Also ransacked in the search was a refrigerator in the basement. Damaged was an amalgamator which mixes silver and mercury, and a closed circuit camera was torn from the wall.

Several items were placed in a pile but were not taken. Items listed were a 14 carat gold chain bracelet valued at \$325, legal documents and about 10 pennyniches of gold used for fillings valued at \$30.

Entry was gained by prying a rear door leading from a stairway.

the excellent voting record of the over-65 age group, which leads to politicians courting them.

He said another reason is the increasing number of persons living beyond 65.

"My goal is to modify the learning deficit we often see in the aged," Traxler said. "This is becoming more important as our society increases the average life span."

Mrs. Ogilvie Initiates Braille Computer Unit

Mrs. Richard B. Ogilvie on Thursday pressed the button activating an IBM computer attachment that will enable the blind of Illinois to receive Braille printed materials in greater quantities and more expeditiously than ever before.

The scene was the Springfield central office of the Illinois Division of Vocational Rehabilitation, which is the first such agency in the United States to set up an IBM Braille computer facility for the benefit of blind clients. Other agencies serving blind persons also may make valuable use of the equipment.

Mrs. Ogilvie congratulated Alfred Slicer, director of the Division of Vocational Rehabilitation on procuring the machine. "Your foresight in providing this equipment makes Illinois the leader in the nation in the capability for fast communication with the blind," she said.

"In addition to benefiting the general blind population of the State of Illinois, the equipment will make it possible for blind students to overcome the red tape of college entrance and will ease the paper work problems they face."

Supervised Installation
Robert LaGrone, who himself is blind, and is responsible for development of the IBM programming technicalities, was present for the ceremony. LaGrone is Associate Program-

mer, IBM Federal Assistance Division, Galtersburg, Md., and has been in Springfield personally supervising the installation. Mrs. Ogilvie congratulated LaGrone on "his achievement and breakthrough which will benefit the blind in Illinois and throughout the entire country and world."

Floyd R. Cargill, DVR Chief of Services for the Blind, also a blind person, applauded use of the computerized as "probably the greatest step forward since the Braille writer." He continued, "For the first time since 1961, Illinois will have equipment which can produce Braille."

The staff of DVR's Research and Statistics Section headed by Edmund G. D'Elia, who work with the new equipment, have used their own personal initiative and time to learn Braille. The first experiment was publication of a Braille newsletter to the agency's blind vending stand operators and was most enthusiastically received.

THEFT FROM TRUCK
Hand tools valued at \$500 and a bear bow with two dozen arrows valued at \$150 were stolen from the pickup truck of Robert Krug, 1516 Lindell Blvd. parked at his home Wednesday night, he reported at 9:10 a.m. Friday. Entry was gained by breaking the right wing window.

ACCIDENT AT SIGNAL
Cars driven by Norma Keller, 4843 Warnock Ave., and Patricia Howard, Rural Route Two, were involved in an accident at Edwardsville and Nameoki roads at 5:20 p.m. Thursday.

Churchmen's Annual Meeting Oct. 29

The Rev. Robert O. Laaser, pastor of St. Peter United Church of Christ, Elmhurst, Ill., will address the men and women of the Illinois South Conference at the annual fall meeting of the Churchmen's Fellowship Oct. 29, at St. John United Church of Christ, Collinsville. He will speak at the 5:30 p.m. banquet.

Former conference minister of the Illinois South Conference, will speak at the afternoon session. His topic will be "A Challenge to Adventure," it was announced by Arkel Kunze, federation president.

The annual meeting will be held at 3 p.m. with registration and opening worship at 3:30 p.m. During the business session an election of president and vice-president will be held.

Also on the agenda is a session of the 1973 project for the Illinois South Conference. Udeli Wehling, chairman of the project will give the report and presentation.

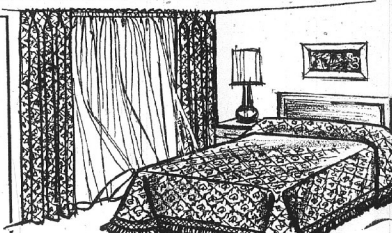

Reservations at \$3 per person should be made before Friday with Ronald Achenbach at the Collinsville host church, 307 West Clay St., Kunze said.

Award Contract For Coke-Plant Pilot Project

A construction contract for an experimental coke pellet process 500-ton-per-day pilot plant was announced today by a four-company group of the nation's top steel and coal producers including National Steel Corp.

Granite City Steel Co. was a participant in this program prior to its merger with National Steel.

The pilot plant is designed to develop a better coke-making process which will control gas and dust emissions such as those associated with present alkyd-type coke ovens, and also permit greater flexibility in the use of coals than in the present coke-making methods.

It is believed that the project will be the largest experimental coke production facility established anywhere in the world.

Cost estimates for the new pilot plant and related full-scale blast furnace test program are between \$25 million and \$30 million.

Rites Held For Victim Of Traffic Accident

Funeral services were held at noon Saturday in the Southern Baptist Church, Madison, for Miss Magnolia Hamilton, 37, of 312 Jackson St., Madison.

Miss Hamilton was killed Oct. 3 when her car and a truck collided at Illinois Route 159 and U.S. 50 near O'Fallon.

She is survived by her parents, Mr. and Mrs. Joe (Annie Mae) Hamilton Sr., his brothers, Carl and Harold Hamilton of Madison and Joe Hamilton Jr. of East St. Louis; three sisters, Miss Beatrice Hamilton of Chicago, Mrs. Naomi Wesley of Lebanon and Mrs. Doris Brown of Madison; and a grandmother, Mrs. Novel Pickett of Lebanon.

GC Girl, 10, Abducted, Released Near Lake

A Granite City girl, 10, was abducted by a man in an auto but was left unharmed in the vicinity of Horseshoe Lake, it was reported to Granite City police at 6:30 p.m. Saturday.

The girl told police that as she was walking on Delmar Avenue at 22nd Street, the driver of a car grabbed her, placed his hand over her mouth and placed her in the back seat.

She said the man drove to the lake area in the vicinity of Lake Drive and State Rd. 35, where he stopped, obtained a blanket from the trunk of the car and threw it on the ground. She said he made threatening remarks throughout the incident.

She told police the driver then drove away and she ran to the highway where she was picked up by a Fairview Heights motorist. He called police.

The abductor was described as about 5 feet, 5 inches tall, with thin red hair, a beard, a scar over the right eye and wearing a checked shirt. The auto had a blue top and red, white and blue stripes on the bottom was observed on the rear. Stars were on the tires.

Police found the blanket about 45 yards east of Lake Drive.

Mike Grba Sr., 80, Dies; Here 69 Years

Mike Grba Sr., 80, of 900 Grand Ave., a 69-year resident of Madison, died at 12:25 a.m. Friday at St. Elizabeth Hospital.

He had been ill five years and a patient at the hospital 13 days. Mr. Grba was born in Yugoslavia.

A member of the Serbian Orthodox Church in St. Louis, he also belonged to the Greater Beneficial Union District 691. Mr. Grba retired in August 1967 from American Steel Foundries where he was employed as a blacksmith. He and his wife, the former Rose Shille, observed their 50th wedding anniversary in August.

Other than his wife, survivors include two sons, Robert Grba of Madison and Mike Grba of Granite City; six daughters, Mrs. Pete (Mildred) Kochmanski of Fairview Heights, Mrs. Andrew (Louise) Tegen, Mrs. Vania (Diana) Shrum, Mrs. Vania (Betty) Bulva, Mrs. Mary Combs and Miss Elaine Grba, all of Madison; 19 grandchildren and three great-grandchildren.

Funeral services were held today. Details are given in the obituary column.

BURGLARY AT STORE
Items were scattered but nothing was missing in a burglary of the Coochman Store, 1151 Edwardsville Road, it was reported Thursday. Entry was gained by twisting a padlock off of a walk-in freezer door and crawling through a rack into the store.

Nine Area Couples Obtain Divorces

Nine area couples have obtained divorces from the County Circuit Court. Granted divorces were:

Norma Spiroff from Richard Spiroff, both of Granite City. They were married Sept. 11, 1967, in Edwardsville, and separated last September. Mental cruelty was charged. Custody of two children was given to the mother. The matter of child support was reserved by the court.

Leland Carl Burris of Madison from Stella Diane Burris of Pontoon Beach. They were married Jan. 22, 1966, in Madison, and separated June 26, 1970. Desertion was charged.

The mother received custody of two children. The matter of child support was reserved by the court.

Cathleen L. Wilkinson of Granite City from Richard Wilkinson of Vienna, Ill. They were married Feb. 18, 1970, and separated last January. Mental cruelty was charged. The mother obtained custody of one child. The matter of child support was reserved by the court.

Viola Elizabeth Byrne from Robert Timothy Byrne, both of Granite City. They were married Feb. 17, 1952, in St. Louis, and separated last May 14. Mental cruelty was charged.

Custody of one minor child was granted to the mother, and the father is to pay child support of \$150 per month.

Mae Louise Prather from Lesley Earl Prather, both of Granite City. They were married Sept. 7, 1951, in Arkansas. Custody of two children was given to the mother, and the father is to pay child support of \$120 per month.

Sherri M. Glosick from Lewis R. Glosick, both of Collinsville. They were married April 24, 1965, in Granite City, and separated last June 16. Mental cruelty was charged. Custody of two children was given to the mother, and the father is to pay child support of \$120 per month.

Janice E. Hufford from Ronald J. Hufford, both of Granite City. They were married April 27, 1972, in Madison, and separated last June 16. Mental cruelty was charged. Her former name of Janice E. Halbe was restored.

Judy Ann Perdue of Granite City from Michael Dennis Perdue of Flippin, Ark. They were married June 21, 1969, in O'Fallon, Mo., and separated in October 1969. Desertion was charged. Her maiden name of Janice E. Wicker was restored.

Pamela Jane Brasfield from Jimmy Guy Brasfield, both of Madison. They were married May 10, 1969, and separated last Feb. 21. Mental cruelty was charged. Custody of one child was obtained by the mother, and the father is to pay child support of \$20 per week.

ACCIDENT AT EXIT
An auto driven by Francis Sherrick, Jennings, Mo., backed into one driven by Eva J. Meyer, 3226 Wiltshire Drive, at 2:40 p.m. Thursday at the exit of the Bellemore Village shopping center.

REAR OF AUTO STRUCK
An auto driven by Herman Williams, Roxana, collided with a car driven by Howard L. Whitten, 200 Wilson Park Lane, at 23rd Street and Madison Avenue at 5:30 p.m. Thursday on wet pavement.

News Notes

Hugh W. Cross, 76, Jerseyville, Illinois lieutenant governor from 1940 to 1948, died Sunday at the Jersey Community Hospital. A lawyer and farmer, he headed the Interstate Commerce Commission in the mid-1950s. Services will be held at 2:30 p.m. Tuesday at a Jerseyville funeral home, with burial in Oak Grove Cemetery.

Chairman John O. Pastore and Vice-Chairman Melvin Price will be held at the Joint Congressional Committee on Atomic Energy will hold public hearings on nuclear reactor safety early next year.

A. O. Smith Corp. earned \$270,000, or five cents per share, in the third quarter of 1972, compared with \$1,339,000 or 31 cents a share last year. The Smith-Barney announced Thursday. Nine-month earnings were \$7,882,000 or \$1.60 per share, compared with \$8,000,000 or \$1.80 a share in January-September 1971.

A political preference poll by the SUE newspaper showed a 161-114 McGovern-over-Nixon presidential victory, a 171-71 McGovern-over-Ford gubernatorial victory and a 146-37 Percy-over-Pucinski senatorial win.

The SUE president has ordered the mass communications department to stop making political TV commercials. Its work has included films for Missouri governor candidate David as part of the education of students. A David spokesman said his committee contracted with SUE because the rates were low and the quality of work was high.

Circuit Judge William Chamberlain, 41, who served as Illinois secretary of state for nine months in 1964, died Thursday in Springfield. The funeral was today at the Christ the King Church there.

More than \$2 million has been released by Gov. Richard B. Ogilvie to build the new East St. Louis state-regional office building, it was announced Friday.

Plans are being made by William S. Lowe, board chairman of the A. P. Green Refractories Co., to address the annual dinner of the Tri-Cities Area Chamber of Commerce Nov. 21. He is president of the U. S. Chamber.

An annual dance and festival of the Bulgarian Senior Citizens Social Club is set for 8 p.m. Saturday at Holy Trinity Hall, 13th Street and Madison Avenue, with the Bulgarian String Melodies Orchestra playing and Slavic and other Balkan folk dances featured. Colorful peasant costumes will be displayed and there will be entertainment by the Croatian "Junior Tammies" and the International Folklore Federation of Greater St. Louis.

Woman, Man Wounded By Gun at Residence

Mrs. Lynda Clatts, 24, of 2404 Illinois Ave., and her estranged husband, Tom Clatts, were shot during an argument in the kitchen of her home. It was reported to police at 8:45 p.m. Sunday.

A .38 caliber six-shot revolver is believed to have been fired three times. She was wounded in the abdomen and he was wounded in the chest.

Both were taken to St. Elizabeth Hospital and Mrs. Clatts was transferred to the Jewish Hospital in St. Louis.

Pancake-Sausage Event Set Thursday at GCHS

The Granite City High School Band Parents Association will hold its annual "Pancake and Sausage Supper" from 5 p.m. to 8 p.m. Thursday in the high school cafeteria. Jack Johnson, president, announced today.

Tickets, costing \$1.50 for adults and 75 cents for children 12 years and under, may be purchased in advance from band students, or at the door Thursday. It is the 10th year the group has sponsored a public supper at the school.

Rites in Chicago for Edward J. Radke, 67

Edward J. Radke, 67, of Holiday Park Mobile Homes, a retired employee of Western Electric Co., died at 9:30 p.m. Wednesday at Jewish Hospital in St. Louis. A lifelong resident of Chicago, he moved to this area two years ago.

Surviving are his wife, Mrs. Mildred Radke; one son, Robert Radke; two daughters, Mrs. John (Claudia) Jemilo and Mrs. Michael (Susan) Bahling; and one sister, Mrs. Edward (Lucille) Stamborg, all of Chicago.

Funeral services will be held in Chicago.

2nd United Fund Report Meeting

The second weekly report meeting of the Tri-Cities Area United Fund is set for noon Wednesday at the YMCA, 20th Street and Edison Avenue.

Reports at the initial report session last week showed pledges of \$107,906 toward the \$13,561 goal, with a number of firms, employee groups, organizations and individuals increasing their contributions from the level of a year ago.

TWO WOMEN ARRESTED

Bonnie Sexton, 33, of 4708 Kirkpatrick Homes, and Doris Wilson, 42, were charged with theft of a turtle neck shirt and a blouse from the Tops & Bottoms Shop, 1343 Nineteenth St. at 3:45 p.m. Friday. They were arrested by Venice police at 10th and State streets, Madison, and were released on \$25 cash bail.

TWO PERSONS INJURED

John A. Grobowski, 29, of 2529 Romey Drive, and a passenger in his auto, Steve Schardan, 28, of 14 Glory Lane, suffered pains when it collided with another driven by Joseph A. Michel Jr., 1015 Pontoon Road, at 9:10 a.m. Saturday at 23rd Street and Madison Avenue.

Parents Plan Club

Plans to form a Dunbar School band parents' club will be discussed during a monthly meeting of the Dunbar Parents Teacher Club at 7:30 p.m. Wednesday in the school cafeteria.

Two Passengers Hurt In Traffic Accident

Two passengers were injured when auto driven by Eugene A. Ledbetter, Cahokia, and Lawrence E. Hopkins, 2143 Lee Ave., were in an accident at 6 p.m. Thursday at 23rd Street and Cleveland Boulevard. The Hopkins auto struck and twisted a one-way street sign post. Ledbetter was issued a stop sign violation ticket.

Taken to St. Elizabeth Hospital where they were treated and released were Mrs. Ann Hopkins, 41, and Jerry Sanders, 19, of 2741 Birch Ave., who was riding in the car driven by Ledbetter. Mrs. Hopkins received injuries to the neck and right hip, and Sanders, who struck his head on the windshield, complained of a headache. X-rays were taken of both.

Mal Hearings to Begin

A pollution hearing involving Mill Sanitary Landfill is scheduled Thursday and Friday at 10 a.m. each day, at the City Hall in Granite City. The hearing has been postponed two previous occasions. The Illinois Environmental Protection Agency has issued 99 violations of regulations over the past two years.

Canal Freight Continues Toward Record

Freight tonnage shipped through the Chain of Rocks Locks and Canal in September declined from August shipments, but tonnage so far this year continues to climb toward a record.

A total of 5,232,355 tons was locked through the canal in September, bringing the total for the first nine months of this year to 42,413,738 tons, far exceeding shipments of 36,796,665 tons in the same period of 1971, and 37,274,579 tons during the first nine months of 1970, the year in which the all-time, 12-month record of 50,747,918 tons was recorded.

September shipments dropped below 5,427,812 tons in August but exceeded the 4,576,747 tons moved through the canal in September 1971.

The total last month was all commercial tonnage as no contractor or government cargos were recorded.

The numbers of all types of vessels passing through the locks in September declined from August with the exception of passenger boats, increasing from zero to five, government tow boats which went from zero to three, and government patrol boats, increasing from eight to nine.

The total number of vessels declined from 6,771 in August to 6,287 in September. Declining were: tow boats, from 1,062 to 910; barges, from 3,476 to 3,158; U.S. contractor boats, from 30 to 21; private recreation boats, from 190 to 178; and government barges from five to three.

The total number of vessels which passed through the locks in the first nine months of this year reached 54,280, more than the 48,944 in the same period of 1971.

Lockages also have increased this year as 804 lockages in September brought the total for the year thus far to 8,244, exceeding the 5,085 in the same period of last year. Lockages in September 1971 totaled 500.

Total commercial tonnage moving upriver in September was 2,636,855 tons and 2,595,500 tons moved downriver.

Freight shipments included: Although there is an oversupply of teachers in Illinois, there still exists a great need for teachers in the fields of special education and vocational industrial arts. During the month of September in Chicago alone there were 697 vacancies for special education teachers.

These are some of the findings in the latest issue of the "Teacher Placement and Vacancy List" published by the teacher placement section of the Office of the Superintendent of Public Instruction. The listing covers vacancies in 2,200 public and private schools in Illinois.

The teacher placement section has completed one year of operation and state education officials say school districts are making increasing use of the reports. However, there are no adequate figures on how many teachers found their posts through the listing.

Supt. Michael J. Bakalis praised the service saying, "I believe that this office has the capability to study and analyze

possible trends, areas of need across the state, and be able to suggest where we need to be putting more emphasis. . . . According to the placement service's May survey, there were 1,571 vacancies in the populous counties of Will, Cook, St. Clair, Lake and DuPage. The greatest number was in Cook County.

The survey showed a need for teachers in these areas: science, math, speech correction, music and guidance. There were no vacancies for teachers in physical education, social sciences, history, business, agriculture or home economics.

With its state-wide collection of data the placement section is able to pin-point exactly where the vacancies are. The resulting list is regularly mailed to placement offices, education service regions and about 400 teachers throughout the state.

State GOP Vote Set at Springfield

U.S. Sen. Charles Percy will sponsor a Grand Old Party Votelet again this year. The Illinois State Fairgrounds will be the scene of the festive fall function on Saturday.

The October Votelet was initiated two years ago in Springfield, but voters throughout Illinois are invited to attend. It is not a fund raising event.

Don Adams, Republican State Central Committeeman for the 20th district, and George Woodcock of Mt. Carmel president of the Illinois Republican County Chairmen's Association, will serve as co-chairmen of the admission-free event that will feature a German menu and a German band.

According to Adams, all of the state Republican candidates have been invited as well as any Republican candidate running on the fall ballot. Serving will begin at noon. There will be continuous entertainment in the afternoon. Door prizes will be given away, along with campaign buttons, political literature and free apples.

Further information can be obtained from Republican county chairmen, Adams said. "We want to attract voters from all over Illinois, but mainly those who have not met the candidates and would like a chance to talk with them."

Essay Deadline Tuesday

Tuesday is the deadline for entries to be submitted to the United Fund office in the essay contest on the topic "How Does Education Help People?" Entries, not to exceed 500 words in length, will be accepted from area school students. Judging will be on the basis of the sincerity and grasp of the topic.

Deputy GC Assessors Attend State Meet

Margaret Hornberger, Shirley Voegelé, and Curtis Donley, employed in the office of Granite City Township Assessor James Barrion, attended the Southern Illinois Conference of Supervisors of Assessments held at the Southern Illinois University Student Center in Carbondale last week.

The two-day conference was arranged by Southern Illinois University in cooperation with the Illinois Department of Local Government Affairs' office of financial affairs.

The supervisors of assessments were welcomed to the conference by Robert J. Lehnhausen, director, Department of Local Government Affairs.

Lehnhausen said that the purpose of the conference was to help county supervisors of assessments to fulfill their responsibilities in providing more equitable local assessments. The seminars provided information on recent developments and legislation in the field of assessments.

Talks given during the conference covered the duties of supervisors of assessments, their relationship to boards of review, and new laws regarding assessment practices, including mobile home assessments.

Experts also discussed urban and rural properties in southern Illinois, specifically the physical, economical and functional problems, as well as spoil banks, mineral problems, and zoning.

This is the second year the conference has been sponsored by the state university and the state agency.

AUTO LOAN LIB

The FASTBANK auto loan

"Meet Camille," she said. "Camille is a motley example of what an automobile should be. She's dying of oil consumption, gas consumption, water consumption and her money consumption is a phenomenon. Camille has had it and so have I. If Fastbank is the answer, I'll bless the day you originated it."

That plea is from a young woman, Fast owner of a ten-year-old car, who came to her Move Ahead Bank after hearing about our Fastbank Auto Loan. At the risk of seeming overly chauvinistic, we explained how Fastbank Auto Loan was so quick it was waiting for her—so easy to pay for it would overtake one full payment and prove to be truly liberating.

"When did you originate this marvel?" she asked as she pocketed our check for her new car.

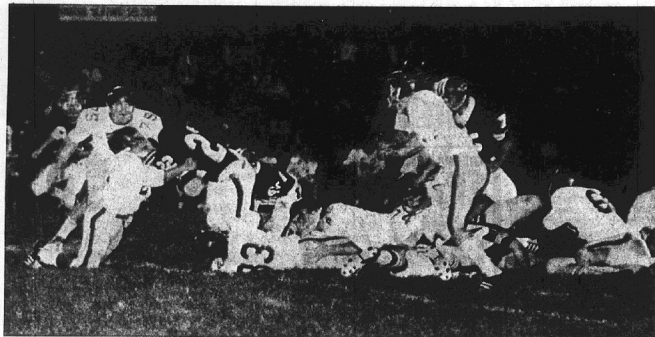

I started to tell her how, one brilliant Tuesday morning, we...

"Bless Tuesday," she yelled. "Bless the Tuesday Fastbank was born."

Fastbank Auto Loan. It's your Move Ahead Bank's way of liberating you from harsh auto payments.

HARD-TO-STOP WARRIOR Halfback Jon Stagner (22), a 5-4, 157-pound senior, is shown after attracting a half-dozen enemy tacklers in the 1972 Granite City High School Homecoming football

game Friday night. Collinsville won 29-27. Kahoks visible include Jim Means (75), Dan McMahon (83) and Rod Davis (74).

Kahok Field Goal in Final 12 Seconds of Homecoming Game Defeats Warriors, 29-27

By SCOTT HARRISON

GCHS Football Writer

Hoping to conclude Granite City High School's Homecoming Week by defeating the Collinsville Kahoks Friday night, the Warriors lost 29-27 by a three-point kick with 12 seconds left in the game.

The pressure field goal by Tom Dickerson availed a one-point defeat for the visitors in the Southwestern Conference contest.

The Warriors' kick opened the game. Quarterback Lou Greer's pass to Dickerson enabled Collinsville to score early. An incomplete extra point kick left the score 6-0, which stood until the second quarter.

After no progress in a series of downs, the Kahoks punted to the Granite City 48-yard-line. In four first downs, the Warriors managed to maneuver to the Collinsville 24.

On a second down play, Jon Stagner carried the ball

Press-Record

Sports

Page 6 Mon., Oct. 16, 1972

over for a 6-6 tie. The extra point kick by Brad Hiles put the Warriors ahead 7-6. Collinsville's Mike Ashmann ran the kickoff back to his 39 but the Kahoks were forced to punt.

Stagner carried the ball back to the 45. A 15-yard penalty was called on a run by Halfback Dale Williams. Breaking three Kahok tackles, Williams then scored for Granite City on 30-yard run from a handoff by Quarterback Clay Winfield.

Another good extra point kick by Hiles made the score 14-6 with 4:23 left in the first half.

Kahok Richard Mark ran the ball back to only the Kahok 10, but with six first downs and a roughing the passer call against the Warriors, Collinsville Quarterback Mike Faust scored from the Warriors' three-yard line with 53 seconds remaining in the game.

Lined up for the two points, attempting to tie the game, the

Kahoks failed with an incomplete pass, leaving the score 14-12 at the end of the half.

Entertaining the largest crowd of the season, the GCHS band went back 40 years in song and dance, bringing back memories to some and laughs to others. The traditional Indian dance by GCHS cheerleaders added to the Homecoming halftime show.

Dale Williams ran the ball back to the 43 to open the second half.

Three first downs enabled the Warriors to score again. Winfield carried from the 34-yard-line outrunning the Kahoks, to score the 'TD. An extra point kick failed and left the score 20-12 with the Warriors leading.

Pushing downfield, the Kahoks scored again, making the score 20-18 on a 13-yard Mike Ashmann run. A pass for a tie fell incomplete.

Jon Stagner returned the Collinsville kick. Aided by runs by Stagner and Williams, the ball was advanced to the five-yard-line. Stagner carried it over and Hiles' kick achieved a 27-18 lead early in the fourth quarter.

Collinsville scored again on a 37-yard Greer pass to Scott Pickering. When Ashmann ran into the end zone for a two-point play, the GCHS lead was only 27-26.

With 1:06 remaining in the game, Granite City had to punt to Collinsville and, with two first downs, the Kahoks moved in for the kill in the form of Dickerson's 22-yard field goal.

Soccer Warriors Claim Top Spot in Jacksonville Meet

The Granite City High School soccer team easily won the championship Saturday in the four-team Jacksonville Tournament.

The Warriors scored decisive victories against East St. Louis Assumption 6-1 in the first round and 6-0 in the championship game against the host team.

Granite City did not meet Collinsville, the only team that has defeated the Warriors this season. The Kahok victory, 4-3 there Oct. 11, was a hard fought battle and tempers were expected to be high if the teams met Saturday.

Collinsville lost its first round game against Jacksonville 1-0, putting the Kahoks in the losers bracket with Assumption. In the third place game, the Kahoks blanked Assumption 6-0.

The Warrior charge in the tournament was sparked by Randy Worthen, the inside right, who earned one goal in the first game and scored four consecutive points in the championship round. He also was credited with two assists in the games.

Other Warriors who scored in the first round were Wayne Canada and Dave Sheridan,

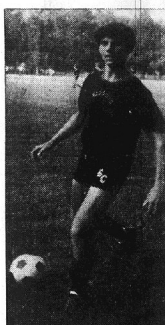

each with two goals, and John Dave Wolf, who was successful on a penalty kick. Giving assists were Worthen, Harvey Brechner, Steve Powderly, Tony Valencia and Ted Domitrovich.

The Warriors had 22 shots on goal in the first game while giving up only five.

In the second match, Canada led off in scoring on a pass from Worthen. The next four points were claimed by Worthen on passes from Andy Baugh and Sheridan and two from Canada.

Granite City took 18 shots on the Jacksonville goal while allowing four. Each team was called for one penalty. The Warriors had two corner kicks while Jacksonville had none.

Goalie Tom Clark stopped two shots and his replacement, Bill Schneike, made one save. The Warriors will begin a home stand with junior varsity and varsity matches against Waterloo Gibault at 4 and 5 p.m. Wednesday. Assumption will visit Thursday with the junior varsity game at 3:30 p.m. and the varsity game at 5 p.m. Action will be at Wilson Park both days.

Cougar Kickers Win, Tie in Tourney, Ready for UMSL

Coach Bob Guelker gave his Southern Illinois University at Edwardsville soccer players a day off yesterday and scheduled only light drills for his Cougars today as they prepared to meet the nationally ranked University of Missouri, St. Louis, Rivermen at 4:30 p.m. tomorrow at Cougar Field.

The Cougars needed the rest. They'd just managed to win one and tie one at DeKalb in the second annual Illinois University soccer tournament over the past weekend.

An inspired Western Illinois University team battled the highly favored Cougars to a double-overtime 1-1 decision on Friday, and Saturday night, playing under the lights of the

host Northern Illinois University football stadium, the Huskies matched SIUE a 1-0 most shot-for-shot for the first half, but wilted in the final 45 minutes to lose to the Cougars, 2-0.

The first half had ended in a 0-0 deadlock, with the Cougars posting only one more shot-on-goal, 11-10, then the Huskies. For the game, SIUE outshot Northern, 33-11.

Clawing in Earnest
In the second half, however, the Cougars came out clawing in earnest, blasting 22 shots-on-goal while holding the Huskies to just one. Denny Driscoll, Cougars veteran right fullback, who had been rested by Guelker for the second straight game, took a pass from Tom

Twelman and beat Huskie goalie, Pete Mannos, for the go-ahead goal. Mannos recorded 11 amazing "saves" in the final half. His great effort, it turned out, gave the tourney title to Eastern Illinois University on total goals.

Two minutes after Driscoll's goal, Chris Carenza was awarded a direct penalty goal and blasted it home. Eastern Illinois U.S. Panthers, winning one and tying one for identical records with SIUE, edged the Cougars by the margin of one goal. Next year, Eastern will host the tourney, in 1974 it'll be SIUE's turn and Western will hold it in 1975.

The astro-turf surface and narrow field at Northern seemed to bother the Cougars as did the lighter ball, which was designed to be used on artificial grass. But, the two hard-fought games on it should help the Cougars in their Nov. 5 meeting with St. Louis University at Busch Stadium.

HAPPY COOLIDGE COACHES. Keith Park, left, and John Tonnoff at a surprise party Thursday after their ninth grade football team won its 100th grid contest, defeating Edwardsville here 29-7.

Coolidge Hits Century Mark, Wins Game 100

The Coolidge Junior High School ninth grade griders won their 100th football game Thursday when they beat Edwardsville 29-7 here.

It was in September 1956 when the Coolidge Braves played their first game against the Granite City High School sophomores and won 13-0. Frank Kraus, now assistant superintendent of schools for the Granite City district, was the Coolidge grid mentor, and John Tonnoff was his assistant. Tonnoff has been at Coolidge ever since and is now head football coach. He is assisted by Keith Park and Virgil Kambarian.

Behind some excellent blocking, Tom Manogian scored on a 70-yard runback from the opening kickoff. Bryan Bunjan went around the right end for

another touchdown. Manogian then passed to Rick Fancher for the two-point conversion.

Boosters Plan Bus

Granite City Boosters Club will hold their regular meeting at 7:30 p.m. Wednesday in the cafeteria of Coolidge Junior High School.

A bus trip to Belleville East football game has been scheduled for 6:30 p.m. Friday. Tickets will be \$1.25 and members may contact Cecil Williams, 452-4199, or Emerald Dawes, 876-9797. Movies of the Alton football game will be shown at the regular meeting.

SIUE Hockey Team Splits 2

Thewomen's hockey team at Edwardsville split a pair of games Saturday at Illinois State University, tripping the host team 1-0 and then bowing to Eastern Illinois University 3-0.

Barbara Lehr scored the goal to give the Cougars the victory in the first game.

The action gave the local team an overall record of 2-1-1. It was scheduled for more action at 4 p.m. today at Blackburn College, Carlinville.

Cougars

"CONTINUED FROM PRECEDING PAGE"

the Cougars in the matter of off-side calls against them. For the entire game against Northern, as well as in their game with Western, they posted an unusual high number of off-side calls. In the game Saturday, well over 20 were whistled against the Cougars.

Guelker, in deciding to give his Cougars a little extra rest, was not only thinking about the UMSL game Tuesday, he was looking ahead to this Saturday's game with Michigan State University at Cougar Field.

The Spartans, always a soccer, power, will be playing

SIUE for the first time. However, Michigan State is no stranger to Guelker. In his stay at St. Louis University, Guelker's Bills posted an 8-1 record against the Spartans from 1959 through 1966. His Bills beat the Spartans for the national NCAA title in 1965.

In Friday's 1-1 game with Western, the Cougars again dominated the statistics, garnering 27 shots-on-goal to the Leathernecks' 10 in 100 minutes of play, in 90 of regular time and two, five-minute overtime periods.

At 3:37 minutes into the first overtime, Carezza was awarded a direct penalty kick and

made it good. At 4:11 in the same period, a Western sub, Cliff Rusin, made a garbage goal off a corner kick to tie it up.

SIUE's senior goalie, Rick Benben, was hurt in the first half of the Northern game Saturday night and is a doubtful starter at least against UMSL. Chester Kowalewski, the Cougars' back-up goalie, has played almost half of the time as SIUE posted their 4-0 season record. UMSL is 5-0, including a 1-0 victory over St. Louis University.

Guelker didn't appear worried about his charges' 1-0 record at Northern. "I knew,

Granite City PRESS-RECORD
Mon., Oct. 16, 1972 Page 7

and now the fellows know, that when you are ranked high in the national polls, that every team you play will very definitely be 'high' for you. The game against Western at Northern, as well as Rockhurst College at Kansas City, proves this to be true," Guelker said. He added, "What's more important, and as yet generally not understood in the St. Louis area, is that college soccer nationally has dramatically improved in the past six or seven years."

GRANITE CITY, ILLINOIS

Miss Baker Accepted By Osteopath College

Miss Bertie Jane Baker, daughter of Mr. and Mrs. F. H. Baker of Granite City, is a special student accepted by the Kirksville (Mo.) College of Osteopathic Medicine for a four-year professional program leading to the degree of doctor of osteopathy.

Miss Baker received her pre-professional preparation at St. Louis University earning the M.S. degree in 1972.

Enrollment at the Kirksville College of Osteopathic Medicine has reached 446. The freshman class of 1972 is the largest in recent years. Members of the class were selected from more than 1,200 applicants.

Illinois State Income Tax To Have Pension Exemption

The 1972 Illinois state income tax will have a new exemption and a new look, according to the Illinois State Bar Association.

The ISBA said today that under a law passed earlier this year, the full amount of income from a pension, profit-sharing plan or other retirement fund will be exempt from the state tax for the first time.

Thus, the ISBA said, the person whose income is entirely from such sources, or whose income does not exceed the allowed individual exemptions, will pay no tax at all. Generally however, he must file an income tax return.

Previously, the bar group said, income from profit sharing, pensions or other retirement pay was taxed to the extent that it represented

amounts earned and accrued since Aug. 1, 1968, the date the state income tax went into effect. Only that portion of retirement income which was earned and accrued prior to that date was exempt from tax.

The 1972 individual income tax form, IL 1040, will have a new look, the ISBA said, since the entire form will be on one page.

Previously, Part I of the form was on the front page of IL 1040 and Part II, relating to dividends, interest and similar income, was on the back of the same page. Now, Parts I and II have been combined and condensed so they occupy no more than the front page of the tax form.

Calculations to be made on the IL 1040 remain the same and — except for the new exemption for retirement income — there is no other change in the income tax law as it affects Illinois residents, the ISBA said.

It estimated that 80% of Illinois taxpayers will be able to complete their returns on the single page while others will use that page plus the supplementary schedules for reporting tax-exempt gains from the sale or exchange of property owned before Aug. 1, 1968, or for credit for taxes paid in other states.

Income from exempt retirement programs now falls into the same classification as military pay earned while on full-time or annual training duty with the Illinois National Guard or U. S. armed forces.

The latter types of income are not taxed under Illinois law, although pay received by reservists for attendance at weekly or monthly training programs with the National Guard or U. S. military services is subject to state income tax.

The ISBA said the retirement exemption extends only to qualified retirement plans which are available to substantially all employees of a company or other organization. It would not apply to the stipend voted for the special benefit of a retiring chief executive or other officer by a grateful board of directors.

Senior Life Saving Course at YMCA

The Tri-City YMCA is conducting a senior life saving course which began last week and will continue for ten weeks.

Theory classes will be held from 7:30 p.m. until 8:15 p.m. and swimming classes from 8:45 p.m. until 10:30 p.m. each Friday.

To participate in the course, a person must be at least 15 years of age and in the ninth grade, and must pass a preliminary swimming test and meet certain physical requirements.

The YMCA will conduct a water-safety instruction course beginning April 12.

Persons interested in the swimming course may contact Kent D. Dunn, physical director at the YMCA, 2001 Edison Ave., 876-7200.

Process of Acquiring Real Estate Explained

By RAY M. KAEGLER
Secretary-Treasurer,
Granite City Board of Realtors

Young people, or older people who have rented housing all of their lives, sometimes would like to own real estate, but know little about the process of acquiring it.

Most of us remember the things we are interested in. If deeds, eminent domain, easements, zoning and taxes come up in school when we weren't interested, the facts could get fuzzy after test papers were turned in.

The most common method of acquiring property is by purchasing it from an owner or through his agent.

Two types of agents are licensed specifically to represent owners or buyers of real estate. These are real estate brokers and real estate salesmen. A salesman must always work for a broker, the broker being responsible for his salesman's actions.

Licenses are issued by the state after the candidate has passed an examination.

In most states, real estate salesmen are required to have two years' experience before becoming eligible to take the broker's examination.

The term realtor is a registered service mark which may be used only by a broker who is a member of the local real estate board and of the National Association of Real Estate Boards, both voluntary organizations.

An agent may also be a licensed attorney.

An offer of purchase is most commonly made through use of a document known as a deposit receipt (contract). This contains all the terms and conditions of the purchase of the property.

When the offer to purchase has been accepted and the buyer and seller have both agreed on terms and have signed the deposit receipt, a deed must be signed and acknowledged by the seller and delivered to the buyer and recorded at the office of the county official who keeps such records.

Details of searching records to be sure the grantor has the right to sell are done by a title insurance company. When satisfied that the property can be sold, the title company issues an insurance policy protecting the new buyer against loss because of any cloud on the title that later may come to light.

Details of drawing up the deed, recording, financial arrangements and similar routine are handled by an attorney.

After you are an owner, you should be aware that there are certain public rights that apply to your property.

There is the right to tax, to acquire your property for public use through eminent domain, as is done for freeway rights of way. Police power may affect your property, as will the right of the state to promote health and the general welfare.

There may be easements that go with the property. This is a right granted by a previous owner to put a utility line, for instance, over the back of your lot.

There is the right of escheat, which means that if there are no legal heirs

Process of Acquiring Real Estate Explained

By RAY M. KAEGLER
Secretary-Treasurer,
Granite City Board of Realtors

Young people, or older people who have rented housing all of their lives, sometimes would like to own real estate, but know little about the process of acquiring it.

Most of us remember the things we are interested in. If deeds, eminent domain, easements, zoning and taxes come up in school when we weren't interested, the facts could get fuzzy after test papers were turned in.

The most common method of acquiring property is by purchasing it from an owner or through his agent.

Two types of agents are licensed specifically to represent owners or buyers of real estate. These are real estate brokers and real estate salesmen. A salesman must always work for a broker, the broker being responsible for his salesman's actions.

Licenses are issued by the state after the candidate has passed an examination.

In most states, real estate salesmen are required to have two years' experience before becoming eligible to take the broker's examination.

The term realtor is a registered service mark which may be used only by a broker who is a member of the local real estate board and of the National Association of Real Estate Boards, both voluntary organizations.

An agent may also be a licensed attorney.

An offer of purchase is most commonly made through use of a document known as a deposit receipt (contract). This contains all the terms and conditions of the purchase of the property.

When the offer to purchase has been accepted and the buyer and seller have both agreed on terms and have signed the deposit receipt, a deed must be signed and acknowledged by the seller and delivered to the buyer and recorded at the office of the county official who keeps such records.

Details of searching records to be sure the grantor has the right to sell are done by a title insurance company. When satisfied that the property can be sold, the title company issues an insurance policy protecting the new buyer against loss because of any cloud on the title that later may come to light.

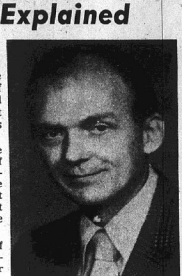

Details of drawing up the deed, recording, financial arrangements and similar routine are handled by an attorney.

After you are an owner, you should be aware that there are certain public rights that apply to your property.

There is the right to tax, to acquire your property for public use through eminent domain, as is done for freeway rights of way. Police power may affect your property, as will the right of the state to promote health and the general welfare.

There may be easements that go with the property. This is a right granted by a previous owner to put a utility line, for instance, over the back of your lot.

There is the right of escheat, which means that if there are no legal heirs

RAY M. KAEGLER

to your property, it reverts to the government.

There may be a covenant applying to the property, either one you agreed to on buying, or one you may impose on selling. A covenant is an agreement that the property will not be used for certain purposes.

The most common right is that of someone loaning money to you for buying the property to sell it if you default.

Such mortgage rights are known as liens. Liens may also be against the property for unpaid taxes or to satisfy judgments by a court.

Zoning restrictions are a special kind of public right, dictating to what use the property may be put.

Zoning restrictions are decided by a zoning commission and when they are changed are always subject to public hearing.

You can also apply for a variance which means you want to put to a use not allowed under the zoning then in effect.

Interpreting the factors that apply to a particular real estate property is the business of a realtor or other real estate broker. Besides having a day-to-day knowledge of property price trends, he can also guide the buyer and seller through the steps necessary in transferring ownership.

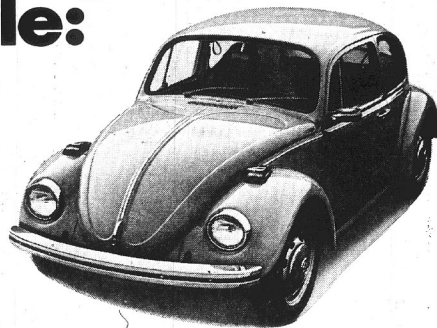

Law Enforcement Meet
The board of directors of the Southwestern Illinois Law Enforcement Commission will meet at 4:30 p.m. Wednesday at Augustine's Restaurant, Belleville. It will be followed by a meeting of the steering committee at about 7 p.m.

Introducing the 1973 Beetle:

Re-introducing the 1972 price:

With the price of our new Beetle still under \$2,000,* the Volkswagen Beetle is a bigger buy than ever before.

More warranty, for instance, than you get with any other small car. Twice more: 24 months or 24,000 miles.**

More attention to specific details than ever (and that's quite a lot). More than 1,000 inspectors meticulously scrutinizing more than 5,000

parts. Some two or three times.

For us, it's not enough to get it right, we want it perfect.

Volkswagen also has the most advanced automotive service system in the world. A brand new computer is, or soon will be, waiting in our service area. We simply plug it in to your VW, and it checks, via sensors and probes, vital service parts and spells out the results in

plain English.

That's service.

Maybe all of this explains why VW owners have gotten more resale dollars after three or four years than the owners of any other comparable car.

Obviously, it's not only the price of the '73 Beetle that reminds you of the good old days. It's also the quality.

Few things in life work as well as a Volkswagen.

*1973 Volkswagen Sedan III suggested retail price, P.O.E. local taxes and other dealer charges, if any, additional. ©Volkswagen of America, Inc.
**An owner maintains and services his vehicle in accordance with the Volkswagen maintenance schedule any factory built to be defective in material or workmanship within 24 months or 24,000 miles, whichever comes first (except normal wear and tear and service items) will be repaired or replaced by any U.S. or Canadian Volkswagen Dealer. And this will be done free of charge. See your dealer for details.

Ogilvie to Address Annual Town Officers Convention

The 63rd annual convention of the Township Officials of Illinois, to be held this week at the St. Nicholas Hotel in Springfield, will be highlighted by discussions of the continuing importance and values of township government within the changing structures of state and local governments.

The convention will open for registration Sunday and will continue to noon on Wednesday, Oct. 25.

Governor Richard B. Ogilvie, who has appeared at the township officials convention for the past four years, will deliver his annual "township address" on Monday morning, Oct. 23.

He will speak about state-level policies, procedures and planning affecting township government.

On Convention Program

Other state officials and dignitaries who will appear on the township convention program include Secretary of State John W. Lewis, State Treasurer Allen Dixon, Robert J. Lehnhausen, director of the Illinois Department of Public Aid, State Senator Kenneth Hall, East St. Louis, and State Representatives Romie J. Palmer, Blue Island and James Washburn, Morris.

Maurice Scott, executive vice president of the Taxpayers' Federation of Illinois also will address the convention.

Col. Joseph A. Parisi Jr., executive director of the Michigan Township Association, will be the keynote speaker. Mayor William O. Telford of Springfield will deliver a welcoming address at the opening of the convention.

Subjects on the three-day business agenda will cover a range from new practices and

procedures in township government to discussions of changes which will be taken place as a result of new county board structures, new state legislation passed and pending which affects the values of township government within the changing structures of state and local governments.

Divisional meetings will be held on Monday afternoon, Oct. 23, with general assemblies on Tuesday and Wednesday. One of these will be a comprehensive question and answer session related to all phases of township government, its opportunities and problems.

A program for visiting wives of township officials will feature a tour of the New Salem State Historic Site on Tuesday night, Oct. 24.

Joseph W. Burgett, Vermont, is president of the Township Officials of Illinois, and Troy A. Kost, Astoria, is executive secretary.

IRS Agents Guard Against Illegal Rent Increases

Springfield — Internal Revenue Service investigators in Central and Southern Illinois are actively participating in a National Rent Watch to protect recipients of increased Social Security payments from having their rents illegally raised.

"This month, 28 million Social Security recipients received a 20% increase in their payments," Leona C. Green, IRS district director for Central and Southern Illinois, said.

"We are urging landlords not to raise rents unless they are certain such increases are legal. In many cases, landlords have already raised rents this year and must wait until 12 months have elapsed before they can raise rents again," Green said.

Landlords must not raise rents beyond a maximum 2.5% a year increase plus prorated passes through of increased taxes, municipal fees, and services, and capital improvements. Tenants should also receive a detailed 30-day notice.

The Code of Living Council has given the IRS new administrative sanction powers to protect tenants from illegal rent increases. Now the IRS can order landlords violating regulations to restore overpayments to tenants, roll back rents to legal limits and impose penalties of double the overcharged rent.

The Revenue Service will refer to the Justice Department for prosecution cases of flagrant and willful violation of rent rules. The district director said.

Urged Tenants to Report

He urged tenants to report rent increases which they consider illegal. The IRS gives priority handling to rent complaints from Social Security recipients.

"To insure their complaints receive handling priority, citizens should identify themselves as Social Security recipients when they contact us, especially by telephone or letter," he said.

All residential rental units under controls are covered by Rent Watch. This generally includes all units owned by landlords with an interest in more than four units. Excluded are landlords with less than four units and housing controlled by the Federal, state and local governments.

IRS offices have copies of Form 5-38, which shows the detailed information landlords must supply in notifying tenants of proposed increases.

"Use of the form, however, does not mean the IRS has approved a rent increase. If the landlord does not give tenants proper notice, any increase even one justifiable under the rules, is illegal," the district director added.

Landlords who evict or harass tenants in retaliation for protesting allegedly illegal rent increases to the IRS violate rent regulations and face possible criminal or civil penalties.

Tenants who are harassed or receive eviction notices after complaining about a rent increase should contact their IRS office, continue to pay rent and

keep records of payments thought to be excessive," he said.

Dr. Leo A. Roman, unable to open his front door, went to the home of a neighbor to call police who found his house had been burglarized and a chair was propped against the door. Entry was gained by forcing the rear door. Several items, not listed, were missing.

AUTO BURGLARIED

REV. THURMAN BRAUGHTON

Revival at West 22nd Street Baptist Church

The Rev. Thurman Braughton, a Southern Baptist missionary to Malaysia, will be the evangelist speaker at a two-week revival, beginning tonight, at the West 22nd Street Baptist Church, it was announced today by the Rev. Thomas Bray, pastor of the host church.

Services will begin each evening at 7:30 and special music and singing will be directed by Eddie Seibert from the River-view Gardens Baptist Church, St. Louis.

The Rev. Braughton and his wife, Cathy, and four children, have just returned from their first four-year term as missionaries. They will reside in the home of a neighbor to call police who found his house had been burglarized and a chair was propped against the door. Entry was gained by forcing the rear door. Several items, not listed, were missing.

He is a graduate of Ouchita Baptist University and South-west Baptist Theological Seminary. The visiting minister has pastored in Texas and Oklahoma.

Walker Running Well In Downstate Illinois

By KEN WATSON
Copy News Service
Springfield — Gov. Richard B. Ogilvie still has considerable catching up to do in traditionally Republican Downstate Illinois.

That was the impression received in talking to some mayoral candidates from the Illinois Municipal League at Urbana.

Strong sentiment for Democratic Daniel Walker was reported especially in southern and eastern areas of the state.

Ordinarily, a Republican candidate for governor has to do well in those areas as well as Downstate in general if he expects to win.

Conversation with grassroots officials confirm reports that he has steadily moved into the states.

That Walker, despite a stumbling and often contradictory campaign, still retains a large measure of the personal popularity achieved during that primary walking tour about Illinois.

In predominantly rural areas of the state, voters appear to be even far less impressed by the issues of the governor's campaign than do those in urban areas.

Personal campaigning has always been an extremely valuable political weapon in rural sections — and no candidate has done more to exploit this so skillfully or so intensively as Dan Walker.

Four years ago, Ogilvie carried Downstate by 541 votes while losing Cook county by 169,577. The Downstate plurality was sufficient to give him an overall plurality of 127,794 votes over the Democratic appointive incumbent governor.

Dr. Leo A. Roman, unable to open his front door, went to the home of a neighbor to call police who found his house had been burglarized and a chair was propped against the door. Entry was gained by forcing the rear door. Several items, not listed, were missing.

Bartosiak-Wood Wedding At St. Joseph Church

Miss Barbara Ann Wood and Edmund Donald Bartosiak Jr., exchanged wedding vows in an afternoon ceremony on Saturday at St. Joseph Roman Catholic Church.

Blue and white fall flowers decorated the sanctuary for the 2 o'clock double ring service, performed by the Rev. Henry Mack.

Mrs. Linda Slover, a cousin of the groom, presided at organ, playing "Something," "Ave Maria," "Sunrise, Sunset," "Speak Softly Love" and "Joy."

Parents of the couple are Mr. and Mrs. Charles M. Wood, 4000 Sara St., and Mr. and Mrs. Edmund D. Bartosiak Sr., 534 Courtney Lane, Bethalto, formerly of Granite City.

Given in marriage by her father, the bride chose a lovely gown of white nylon organza designed in Victorian style. Inserted panels of sheer stripe organza accented the Empire bodice and fashioned the long, camelot sleeves that were enhanced with narrow rows of Venise lace flowers. A pale blue sash ribbon encircled the waistline, terminating at the back with a bow and streamers.

The delicate lace floral trim edged the mandarin collar and was repeated along two wide rows of stripe organza to form the hem of the floor length skirt. Venise lace bordered the detachable chapel length train. She wore a half hat of Venise lace arranged in a cluster floral effect with a looped organza bow, etched with seed pearls, to secure a modest veil of bridal illusion. Her bouquet was an arrangement of white roses, carnations and baby's breath.

Mrs. Gary Heidinger, a sister of the bride, was matron of honor and the bridesmaids included Miss Ann Bickham, Miss Cindy Ezzell and Miss Pamela Schaefer.

They were crowned in identical sets of multi-colored floral print in shades of blue, aqua and green. Long sleeves with wide cuffs were set into fitted bodices, featuring a high neckline edged with a tiny ruffle.

A narrow avocado green velvet ribbon defined the natural waistline and tied with a bow at the left side, enhancing the very full skirts.

The attendants held bouquets of white roses, pom poms, white carnations tipped pale blue and baby's breath, festooned with blue satin ribbon.

Richard Bartosiak attended his brother as best man. Kevin Ricks, John Berosky, Lee Gonterman, brother-in-law of the groom, Kyle Taroff and Gary Heidinger, the bride's brother-in-law, completed the corps of groomsmen and ushers.

David Bartosiak, another brother of the groom, was the ring bearer.

Mrs. Wood selected a light blue double knit dress designed with a high collar and long sleeves and complemented with matching accessories.

The groom's mother, Mrs. Bartosiak, was attired in a pale pink linen dress and jacket ensemble. Her accessories were in the same color. Both mothers wore corsages of white roses.

Mrs. Kevin Ricks attended the wedding as a guest but was not present at the reception attended by 180 guests at Holy Trinity Hall.

Mr. and Mrs. Bartosiak entertained members of the wedding party at a rehearsal dinner Friday evening at Skaggs' Restaurant in Wood River.

The former Miss Wood is a secretary for the Salvation Army Midland Division in St. Louis. Her husband is the assistant manager for McDonald's Restaurants, Inc. in Florissant.

Both young people were graduated from Granite City High School.

The wedding trip to the Ozarks, the newlyweds will reside in Florissant.

Webster Unit Meets Tonight

The executive board of the Webster School PTA and its auxiliary met last week at the school to make arrangements for a fund raising project. Also announced was a Valentine dance with each chapter to select a candidate for queen.

Mrs. Ellen Wilson read the council's new by-laws and the next meeting was set for Oct. 23 at the home of Mrs. Cathy Warfield, 2560 Adams St.

Those present included Mrs. Ellen Wilson, Mrs. Joetta Siegleck and Mrs. Cathy Warfield from Pi Eta Chapter; Mrs. Forrest, Mrs. Jane Laule of Xi Chapter; Mrs. Sandy Cook of Nu Zeta; Miss Barbara Goleator of Theta Iota and Mrs. Barbara Dickerson from Theta Theta.

Other officers are Mrs. Loretta Conley, vice-president; Mrs. Marilyn Stafford, secretary; and Mrs. Phyllis Vickers, treasurer.

The meeting was opened with the PTA prayer and pledge of allegiance led by Principal Fred Noeth.

Program for the evening was an explanation of the new report card system to be used this year, given by Lee Reid, principal of Frohardt School and chairman of the Granite City School District report card committee.

A discussion followed on the safety of children who cross the street, given by Lee Reid, intersection to attend school.

Noeth introduced Washington School faculty members and district personnel and the meeting concluded with a social hour and refreshments served to 65 people.

Members present included Medaunes William Beatty, B. J. Davis, Clinton Erlinger, Arthur Koerper, Douglas Little, B. C. O'Neill, Isabell Schmidt and Miss Grace Costello.

The November meeting will be held in the home of Mrs. John B. Taylor at a meeting of the Junior Bay View Reading Club.

Members gathered in the home of Mrs. Charles Lexow, 720 Old Alton Road, and responded to the roll call by relating their summer activities.

Members attending were Mrs. Robert Blankenship and Mrs. Mickey Loftus.

MR. AND MRS. WILLIAM H. SNELL. They were united in marriage at Nameki United Methodist Church. The bride is the former Miss Jacqueline Ann Rodeck, a daughter of Mr. and Mrs. Jack Nelson Rodeck, 2520 Hemlock St.

Snell-Rodeck Nuptials In Candlelight Setting

Miss Jacqueline Ann Rodeck, the bride, wore frocks made in a similar style in gold chiffon. The groom's brother and sister, William Henry Snell, and William Henry Snell, Jr., were the ring bearers.

Lauri Craig, a niece of the groom, was the flower girl and wore a dress identical to the bride's. Timmy Hancock was the ring bearer.

Attending the groom as best man was James Craig, his brother-in-law. Groomsmen included Timmy Snell, the groom's brother and sister, William Henry Snell, Jr., another brother of the groom, were ushers.

Cousins greeted the couple at a reception held at the Knights of Columbus Hall following the ceremony.

After a wedding trip to the Ozarks, the newlyweds are living in Madison.

The bride is employed at the Barry Wehmiller Co. in St. Louis. Mr. Her husband works at the Purex Co., St. Louis.

Bridesmaids, Miss Joann Snell, the groom's sister and Mrs. Judy Thomas, a cousin of the bride, were the maid of honor. She selected an apple green chiffon dress fashioned in an Empire style and trimmed with white lace on the cuffs and bodice. She wore a small hat with an open crown attached to a nose tie veil and she held a bouquet of gold and green carnations.

Outing Planned By Theta Theta

Theta Theta met at the home of Mrs. Pat Howard on Paul Street, with the president, Mrs. Barbara Dickerson, in charge.

The hostess reported that a candy sale will begin, and Mrs. Barbara Dickerson announced plans to visit the Pleasant Rest Nursing Home in Collinsville Nov. 22.

Special entertainment is planned for the outing, with Wayne Bradshaw and his Harmony Group providing music. Refreshments will be served to residents of the home.

Mrs. Donna Sprinkle, chairman of the annual holiday party, reported that tentative plans have been made and additional information will be available at the next meeting.

Mrs. Julie Gates served as auctioneer, and members were reminded to bring grab bag items to the next meeting.

Mrs. Sue Estabrook was welcomed as a new pledge. Mrs. Gates invited the group to her home, 2150 Harrison Ave., on Oct. 18.

Mrs. Howard served a dessert course to those mentioned and following Linda Pickett, Cookie Spanberger, Ellen Cain, Mary Jane Wasylak, Sharon Rush, Mary Baker, Pat Chastain and Judy Russell.

Officers were elected for the new year. They are Mrs. Sandra Brown, president; Mrs. Shirley Dutton, vice-president; and Mrs. Estelle Boatman, secretary-treasurer.

Following a business session, refreshments were served to those mentioned and Mrs. Bonnie Tidwell, Mrs. Carol Brinker and Miss Alice Dunn.

The next meeting will be held at the home of Mrs. Brown, 2150 Edison Ave., Nov. 20.

Hilltoppers View 'Mock Wedding'

The Hilltoppers Club of St. John United Church of Christ was entertained last week with a "mock wedding" ceremony presented by eight members of the group at the club's monthly meeting.

Mrs. Clara Knipping, president, conducted the business session and welcomed three new members. Mr. and Mrs. Buster Goodwin and Mrs. Marvel Clover.

During the meeting, a memorial service was held for the late Mrs. Ethel Schrumpl.

Hostesses for the afternoon were Mrs. A. J. Zimmerman, Mrs. Mary Buente, Mrs. Georgia Surbey and Mrs. Flora Kluever, who served a dessert luncheon from tables decorated in an autumn theme.

Games were played and each member received a gift.

Officers were elected for the new year. They are Mrs. Sandra Brown, president; Mrs. Shirley Dutton, vice-president; and Mrs. Estelle Boatman, secretary-treasurer.

Following a business session, refreshments were served to those mentioned and Mrs. Bonnie Tidwell, Mrs. Carol Brinker and Miss Alice Dunn.

'Women in Revolt' Film Series

The film, "Madchen in Uniform," will be shown at Southern Illinois University at Edwardsville at 7:30 p.m. Wednesday in Lovejoy Library Room 006B.

The film is one in a series of films entitled "Women in Revolt," being sponsored by the University Center Board at SIUE this fall.

According to Cora Hagler, director of programming for the University Center Board, the series should be of interest to all women—not just those in the women's liberation movement.

"Madchen in Uniform" was made in 1931 and directed in Germany by a woman, Leonie Sagan. The setting is a school for daughters of army officers in Potsdam in 1913.

It is a story of young girls confronted by authority and universal discipline. As daughters of poor army officers, the girls are trained to be mothers of soldiers. The dialogue is in German with English subtitles.

Admission is 75 cents with student identification and \$1 for non-students.

Those present included Mrs. Ellen Wilson, Mrs. Joetta Siegleck and Mrs. Cathy Warfield from Pi Eta Chapter; Mrs. Forrest, Mrs. Jane Laule of Xi Chapter; Mrs. Sandy Cook of Nu Zeta; Miss Barbara Goleator of Theta Iota and Mrs. Barbara Dickerson from Theta Theta.

Other officers are Mrs. Loretta Conley, vice-president; Mrs. Marilyn Stafford, secretary; and Mrs. Phyllis Vickers, treasurer.

The meeting was opened with the PTA prayer and pledge of allegiance led by Principal Fred Noeth.

Program for the evening was an explanation of the new report card system to be used this year, given by Lee Reid, principal of Frohardt School and chairman of the Granite City School District report card committee.

A discussion followed on the safety of children who cross the street, given by Lee Reid, intersection to attend school.

Noeth introduced Washington School faculty members and district personnel and the meeting concluded with a social hour and refreshments served to 65 people.

Members present included Medaunes William Beatty, B. J. Davis, Clinton Erlinger, Arthur Koerper, Douglas Little, B. C. O'Neill, Isabell Schmidt and Miss Grace Costello.

The November meeting will be held in the home of Mrs. John B. Taylor at a meeting of the Junior Bay View Reading Club.

Members gathered in the home of Mrs. Charles Lexow, 720 Old Alton Road, and responded to the roll call by relating their summer activities.

Members attending were Mrs. Robert Blankenship and Mrs. Mickey Loftus.

Members present included Medaunes William Beatty, B. J. Davis, Clinton Erlinger, Arthur Koerper, Douglas Little, B. C. O'Neill, Isabell Schmidt and Miss Grace Costello.

Major Tax Payment by Church Headquarters

One of the largest taxpayers in Boston, The First Church of Christ, Scientist, has cooperated with the city by paying in advance more than \$1.5 million in property taxes, local Christian Scientists have been informed.

The church, which serves as the international headquarters for the Christian Science denomination, presented \$1,506,586 to the city on Sept. 29, more than \$200,000 above what it paid last year.

The city asked a few large taxpayers to pay their taxes in advance to alleviate a potential fiscal crisis caused by the freeze of school aid funds by the State Board of Education. This was the second consecutive year that the church has paid property taxes in September which were not due until Nov. 1.

For many years, it has paid taxes on all property which is not used for other purposes. This includes The Christian Science Publishing Society building, the Administration Building and other property around the Christian Science Center.

Donald G. Lammann, acting for Church Treasurer Roy Garrett Watson, presented the advance payment to the city. Last year, the church paid \$1,185,460 in taxes.

Ogilvie Releases Funds For Brooklyn Center

Gov. Richard B. Ogilvie has announced the release of \$266,300 from the federal Economic Development Administration to build a community center in Brooklyn.

The federal grant will provide all of the funds necessary for completion of the project. Work will begin in 60 days and will provide jobs for five unemployed and unemployed workers in the area.

"This grant is awarded through EDA's public works impact program and is a direct outgrowth of President Richard Nixon's attempt to help the nation's unemployed and to stimulate local economy," Ogilvie said.

He explained that these grants stimulate the local economy by employing local labor and using materials available from local resources whenever possible.

Ogilvie said the original request for assistance came through field representatives of the Illinois Department of Local Government Affairs. The staff of the state office of community services worked closely with local officials and the representatives of the Economic Development Administration to ensure application that would provide for funding within 90 days.

Scout District Installs Hillard, Eight Receive Award of Merit

Robert A. Hillard, Granite City district manager of the East St. Louis & Interurban Water Company, was installed Thursday as the new chairman of the Uniwah (Quad-Cities) District of the Cahokia Mound Council, Boy Scouts of America.

The Uniwah District held its annual district dinner meeting at the St. Elizabeth school cafeteria, with over 200 local scout leaders attending.

Allen L. Jesse, chairman of the nominating committee, installed the new officers.

Vice-chairman for the coming year are Bob Dietrich, John W. McDonald and Ted Scum.

The new district commissioner is Dr. Leo Roman.

Cub Scout John Allen Young opened the meeting by leading the scouts in the pledge to the flag. He is a member of the Cub Pack 12, sponsored by the Niedringhaus School PTA.

Registration for the dinner was handled by Mike Bilbrey of Venice, president of Explorer Post 104, sponsored by the Madison Lions and police department.

Wives of the scout leaders attending were presented with certificates of appreciation for the support they give scouting through their husbands' service.

Dave Parrish, district camping chairman, presented the national camping award to local Boy Scout troops.

Summertime pack awards were presented by Joe Polak, district activities chairman. An engraved plaque of appreciation was presented to retiring District Chairman Leo H. Konzen by Hillard.

Konzen served as the district chairman for the past two years. Highlight of the evening was presentation of the District Award of Merit, formerly known as the Scout Oscar, to eight local scout leaders.

A leader must have been active for at least five straight years and during this time have rendered service above and beyond the normal duties of his position to the scouting program.

E. "Mick" Strange, council activities chairman and a member of the council executive board, made the presentations.

Receiving the awards were: Albert Barnes, 3029 Dale Ave., who has been an active adult leader since 1960 and is currently serving as activity committee chairman for Troop 122, sponsored by the Wilson PTA.

Barnes while serving as neighborhood commissioner, earned the Arrowhead Honor. He also served as a member of the pack committee of Cub Scout Pack 122. He has taken advanced leader training in the patrol method, troop advancement and pack operation, and he is a Brotherhood member of the Order of the Arrow.

William E. Downs, 30 Del Rio Drive, who began his adult role in scouting in 1951 and is now an assistant scoutmaster of Troop 22, sponsored by Frohardt PTA, and for five years he was the Webelos leader of the pack.

Newman Stafford, 2720 Angela Drive, who served for two years with the pack committee of Pack 17 and then in December 1968 became scoutmaster of Troop 96, sponsored by the Maryville PTA, he has served in the latter capacity ever since.

Stafford completed a seven-session scoutmaster training course in May 1968 and is a

Brotherhood member of the Order of the Arrow.

James R. Hendricks, 2307 Washington Ave., currently serving as explorer advisor of Post Seven after serving as scoutmaster of Troop Seven for five years, both the troop and post are sponsored by St. Joseph's parish.

He has two years of service as a cubmaster and two years as a neighborhood commissioner. Hendricks has had scoutmaster training and is a Brotherhood member of the Order of the Arrow.

Arthur C. Stawar, 2639 Buenger Blvd., who has been active since 1963, when he was a committee chairman of Pack 22. He moved into Boy Scouting with his son and became a member of the committee of Troop 99.

Stawar also served as an associate advisor of Explorer Post 69. He helped organize and is currently serving as committee chairman of Explorer Post 109, sponsored by St. John's United Church of Christ.

Robert Moske, currently a member of the committee of Boy Scout Troop Five, sponsored by the Nameeki Methodist Men's Club.

Moske has been active as an adult leader in both Cub Scouts and Boy Scouts since 1967. He has completed Boy Scout leader

training and is a Brotherhood member of the Order of the Arrow.

Mrs. Ann Baxter, Rural Route Two, active in the Cub Scout program since February 1967, serving through the years as both a den mother and a den mother coach.

She has attended nine different training events for leaders and has been active with Pack 141, sponsored by the Mitchell PTA, for the past six years.

Her husband, Howard Baxter, is cubmaster of Pack 141 and received the award last year.

Hillard, 3122 Ash St., has served two years as the Uniwah District advancement chairman. He is currently serving as a member of the council executive board and as vice-chairman of the district.

He also has been active with the Explorer Post 104 committee for the past three years. Prior to moving to Granite City, he served as chairman of a cub scout pack for three years and moved to the troop committee when his son became a Boy Scout.

Hillard also has given service to the Boy Scouts of America as organization and extension chairman for the Fayette County.

SIUE Obtains \$16,957 Grant to Teach Gifted

Southern Illinois University at Edwardsville has received a \$16,957 grant for fellowships to students and area teachers to participate in a program on teaching gifted children.

Program coordinator is Mrs. V. Faye Shaffer, professor in the SIUE special education department. The program was begun in 1970 by the department under a grant from the Illinois superintendent of public instruction that must be renewed annually.

Mrs. Shaffer said students will be matched with participating teachers in university courses and in classrooms of area schools. Students receiving fellowships will observe classes and do some teaching of the gifted. The program also will involve cooperation with the Gifted Area Service Center at McKendree College, Lebanon.

Bakalis, in appointing the committee, said he was doing so in an effort to find alternatives to financing public school systems other than using or relying heavily on the property tax program.

There was some mention of this area in the 1972 General Assembly, but the legislators decided to await further word from the Bakalis group, along with a committee that was appointed by Gov. Richard B. Ogilvie.

County Permits List \$1 1/4 Million Values
Eighty-three building permits listing values totaling \$1,225,666 were issued for new construction in unincorporated areas of Madison County during September by the office of Jack R. Clifford, county building official.

Included were 50 homes, \$1,139,000; 27 additions and garages, \$72,576; two commercial, \$8,800; one advertising sign, \$1,200; one miscellaneous, \$4,000; and two for demolition of structures.

School Finance Studies To Go to Legislature

By RAY SERATI
Copley News Service
Springfield — A special committee to deal with public school financing is continuing its work.

The committee, headed by Dr. G. Alan Hickford of Illinois State University in Normal, was appointed by State School Superintendent J. Bakalis. He formed the group shortly after various state courts throughout the nation handed down rulings which in effect held that public school districts could no longer place such heavy reliance on the property taxes for financing public schools.

Bakalis, in appointing the committee, said he was doing so in an effort to find alternatives to financing public school systems other than using or relying heavily on the property tax program.

The school financing problem has taken on a new light since the adoption of the 1970 Constitution. The new Constitution gives the state the "primary responsibility" of funding public education in Illinois.

Some say that this means the state should be picking up at least 90% of the tab, while others say it should be 100%.

Probably until that matter can be settled satisfactorily, public school financing will cause a great deal of wrangling in the General Assembly.

Distribution Formula
The Bakalis group has issued two reports. The second report deals mainly with proposed new school aid distribution formula.

It also deals with changing costs of education, especially in the urban areas of Illinois. Hopefully the committee will

have all of its work completed by the end of this year. Then all of the findings will be formulated into one large massive report to the General Assembly. Ogilvie's study group is also expected to present its reports and findings to the General Assembly next year.

From all indications, public school financing on the elementary and secondary levels should hold a major spotlight in the next legislature.

State Pays 38%
Presently, Illinois funds about 38% of the cost of public elementary and secondary schools. The remaining portions are then picked up from property tax revenues received by individual school districts.

The school financing problem has taken on a new light since the adoption of the 1970 Constitution. The new Constitution gives the state the "primary responsibility" of funding public education in Illinois.

Some say that this means the state should be picking up at least 90% of the tab, while others say it should be 100%.

Probably until that matter can be settled satisfactorily, public school financing will cause a great deal of wrangling in the General Assembly.

Funds Aid Lewis-Clark Talking Book Service

Secretary of State and Librarian John W. Lewis has announced a grant of \$9,117 for a project to increase the speed and depth of talking book and cassette book service to certified physically handicapped readers in the Lewis and Clark Library System, which serves this area.

Supported by Library Services and Construction Act, Title I, funds, the project proposes to use high-speed tape duplicator and master cassette tapes to be provided by the St. Louis and Chicago Public Libraries, both of which serve as regional libraries for the visually and physically handicapped.

Through the use of this equipment the Lewis and Clark System will be able to develop an adequate cassette book collection to meet the increasing needs of its 3,800 registered physically handicapped patrons, Lewis said.

Now the superb sound of 4-channel stereo in a complete Sanyo system

\$249.95

Only

You have to hear the concert hall realism of 4-channel stereo to appreciate this major breakthrough in high fidelity music listening.

With this new Sanyo 4-channel stereo music system you can play the new CBS SQ 4-channel records through its decoder matrix circuit, its 4 amplifiers, and 4 speakers. And also none of your present 2-channel stereo tapes or records are obsolete.

This Sanyo system's decoder matrix extracts the 4-channel information already contained in 2-channel records or tapes, and processes the information through the rear amplifiers and speakers for breathtaking 4-channel sound. Even 2-channel FM stereo broadcasts are played in thrilling 4-channel through the decoder matrix circuitry.

You can also listen to the system's built-in high fidelity 8 track tape deck for playing 2 and 4-channel stereo cartridges.

Included in this system is a Sanyo 4-channel AM/FM stereo receiver with 4 amplifiers, a decoder matrix circuit, and a built-in 2 and 4-channel 8 track tape deck. A 4-speed automatic turntable with a low mass arm, ceramic stereo cartridge with diamond stylus, base, 45 RPM adapter spindle, and dust cover. Plus 4 book shelf high fidelity speakers.

The 8-track deck automatically selects the proper circuitry for playback of either 2-channel or 4-channel tapes. There are inputs for an automatic record changer or tape recorders. And outputs for tape recording.

Sanyo 4-channel stereo is a big difference from anything you've heard in 2-channel stereo systems. Hear it today.

Mitchell Fireman Urges Home Drills

Reading Council Dinner Tuesday

The annual fall meeting and smorgasbord dinner of the Madison-St. Clair County Reading Council of the International Reading Association will be held Tuesday at the Lewis and Clark Restaurant in Alton.

The "Right to Read," specifically as implemented in the State of Illinois, is the topic chosen by Mrs. Sue Steinhour of the Library and Media Services, Office of the Superintendent of Public Instruction.

Mrs. Dorothy Kistner, council president, will host the 6:30 dinner-meeting.

Parents, teachers, teacher-aides, principals, superintendents, and all persons interested in reading improvement are invited to attend.

Mrs. Ruth D. Lahr of Mitchell is in charge of reservations. Price of the dinner is \$6 for non-members and \$4 for members. Reservations may be made through school representatives or by calling Mrs. Lahr. Ticket may be picked up at door with reservations.

AWNINGS—G. C. GLASS CO.
18th & Edison, 877-5400

Representatives of the Mitchell Volunteer Fire Department presented a program on "Fire Prevention" at the October meeting of the Mitchell School PTA on Thursday night at the school.

The guest speaker, Lyle Hartzell, a member of the volunteer fire squad, discussed numerous ways in which every individual can help to prevent fires in the home and told of escape methods to use.

Hartzell said, "Fire drills are required by schools, hospitals and many places of employment, but they are also needed in the American home." He explained precautions to take and the proper method of contacting the fire department in case of fire.

In his talk, the speaker noted the Mitchell Fire Department was established in 1945 with seven members using a 1923 truck. The present fire station was completed in 1947. The unit serves a 37-square-mile area, ranging from the Hartford Canal on the north, Morrison Road on the south, Sunset Hills (Route 157) on the east and the Mississippi River on its western boundary.

Gene Reinhardt, Stephen Fisher, Morris Miles and Bob Hayes, members of the Mitchell

volunteer fire department, demonstrated equipment, such as clothing worn by firemen, breathing apparatus, a Scott air pack to enter a smoke filled building and a hose nozzle which expels 250 to 300 gallons of water per minute.

Florentino Cuevas, PTA president, opened the meeting and Girl Scout Troop 61 presented the colors. Mrs. Martha Katzman read the PTA prayer.

Reports were submitted by Mrs. Phyllis Gorrell, ways and means chairman, who announced the unit will sponsor a "Basketball Carnival" as a fund raising project at the school on Nov. 17, and that 5th and 6th graders will sell magazines as a special project, beginning Tuesday.

Membership chairman, Mrs. Peggy Brandon, reported a total of 73 members. She urged all parents to join the PTA and support the activities.

Delegates appointed by the board to attend the fall district

conference Thursday, Oct. 26, at Granite City High School, were Mrs. Pat Ganti, Mrs. Diane Hartzell and Cuevas.

Arthur Menendez, principal, expressed the need for more Girl Scout and Brownie leaders and den mothers for Cub Scouts.

Girls in the scouting program meet at the school each Wednesday at 3 p.m. Anyone interested in helping as a leader was asked to contact Mrs. Jeanine Stephanoff or Mrs. Loretta Gaudeite.

In keeping with a Halloween theme and as part of the program, Ted Brown, a sixth grade teacher, introduced Suzanne Atkinson, Donna McBride and Tammie Krpan, who read stories on "Halloween" and "The Witches Brew."

The room award was won by William Briedenbach's sixth grade and the evening prize went to Mrs. Ann Long.

Steel Women Hear Consumer Expert

"Consumers Have a Choice" was the topic of the October meeting of the Granite City Steel Women's Association

held last week in the general office building cafeteria.

Appliances about which consumers have many questions were discussed by Mrs. Jo Meyer, Illinois Power Co. home economist, who illustrated her talk with slides.

The program was arranged by association members from Granco Steel Products, including Ginny Carroll, chairman, Louise Koester, Pauline Luschning and Pat Madl. The committee also presented a series of colored slides showing details of Granco and its office facilities.

During the business session the association's official dues and by-laws were distributed. Copies of the documents were prepared by Mrs. Ethel Mueller, a retiree and member, it was announced.

Candles made by the children of Mrs. Carroll, the host committee chairman, were presented as prizes to Gwen Taylor, Theresa Morgan, Rita Conaway, Pearl Campbell, Virginia Johnson, Dolores Allen, Dolores Kleffner, Evelyn Maxwell, Dorothy Rushing and Elsie Hawk.

Attending the meeting were 16 members and two guests. Mrs. V. Main of Irvine, Calif., and Mrs. H. Schroeder of Granite City.

VACATIONISTS HOME FROM LAS VEGAS

Mr. and Mrs. Michael Kadane, 2947 Madison Ave., have returned home after a week's vacation in Las Vegas, Nev.

While away, they also visited Boulder City, Hoover Dam, Lake Mead and Old Gold Town.

HORACE L. CALVO
State Representative

LELAND J. KENNEDY
State Representative

ROBERT J. WALTERS
State Representative

Business Women to Hear Candidates' Views

Four Illinois legislators will explain their positions on key issues of special interest to women, including the failure of the state legislature to ratify the Equal Rights amendment, at a dinner meeting Wednesday evening of the Granite City Business and Professional Women's Club at Charlie's Restaurant.

Speaking to the issues will be State Senator Sam M. Vadallabene (D-Edwardsville) and State Representatives Horace L. Calvo (D-Granite City), Leland J. Kennedy (D-Alton) and Robert J. Walters (R-Alton).

The annual "Legislative Dinner" of the local BPW chapter is among several events arranged this week in observance of "National Business Women's Week," according to Mrs. Helen C. Calvo, project chairman.

Reservations for the dinner may be made through this evening by calling Mrs. Ruth Housh or Mrs. Rena James.

Incumbent Candidates

All four legislators comprising the speakers' panel are candidates for re-election in the 56th District in the Nov. 7 general election.

Sen. Sam Vadallabene was elected to the Illinois Senate in 1970, having served two consecutive terms in the Illinois House of Representatives during which time he received three commendations from his colleagues.

He was the first elected public official to receive the Crusade of Courage Award from the Illinois Chamber of the Knights of Columbus and was the recipient of "outstanding" legislator and citizen awards from the Illinois Association of County Superintendents of Schools and the Edwardsville Association of Commerce and Industry.

Active in Drives

A veteran of World War II serving with the 29th Infantry Division in Europe, Vadallabene holds membership in the Veterans of Foreign Wars, American Legion, Knights of Columbus, Moose Lodge and the Illinois Youth Commission's Neighborhood Services Program.

He has been active in county-wide fund raising drives for the March of Dimes and Heart Association and was a member of the Sabin Oral Vaccine Administrative Committee for the county.

The state senator and his wife, the former Mary Lesko, have five children. The family resides at 6 Circle Drive, Edwardsville.

Granite City Attorney Rep. Calvo is a Granite City attorney and former assistant attorney general of Illinois. He is a veteran of World War II and a member of American Legion Post 113, Amvets Post 31, Elks Lodge 1063, Knights of Columbus 1098 and the Granite City Democratic Club.

An attorney for 16 years, the state representative holds membership in the Tri-City, Madison County, Illinois State and American Bar Associations. He serves as legal counsel for the District 34 of the United Steelworkers of America.

Rep. Calvo has been active in local civic affairs and youth programs and has served as vice-chairman of the Human Relations Commission and a director of the United Fund. He is a former chairman of the Madison County Board of Health.

He resides with his wife, Josie, and four children at 3254 Westchester Drive.

Veteran Legislator

Rep. Kennedy has served as a state representative for 18 years. He is a life-long resident of Alton and a World War II veteran having served over-

seas with the 1374th Engineers.

In the state legislature, he is a member of the Committee on Industry and Labor Relations, Bank and Building and Loans and Public Aid. He also serves on the Legislative Council and the Commission for the Codification of Labor Laws.

Rep. Kennedy was responsible for introducing the Industrial Safety Bill in the 75th Legislative Session which resulted in the formation of the Refinery Safety Committee.

Korean War Veteran

Rep. Walters, his wife, the former Jeanne Osbeck of St. Louis, and their nine children, reside at 1029 Langdon Ave., Alton. He has served in the state legislature for two years.

He is president of the R. J. Walters public relations and advertising firm in Alton and formerly was employed as executive secretary of the Laymen's Foundation of Our Lady of the Snows Shrine in Belleville. He is a veteran of Army service in Korea and holds membership in the Rotary, Elks, Veterans of Foreign Wars, Public Relations Society of St. Louis and the Knights of Columbus.

Rep. Walters is a member of the board of the Madison County Association for Retarded Children, the Alton YMCA and

the Cancer Society. He has been active in city, state and county politics and has served as campaign manager for two Alton mayoral candidates.

Activities Planned

In other activities this week, members of the Granite City Business and Professional Women's Club will attend a meeting tonight of the City Council and Tuesday evening will have dinner at Augustine's Restaurant and view the off-Broadway production, "The Fantasticks."

Thursday evening, a "kaffeeklatch" is planned at the home of Mrs. Maxine Grissman, 2538 Baenger Blvd., and on Friday the club will entertain senior citizens at the Anchorage Homes with a Halloween party.

Music for the affair will be provided by the Eaglesire Kitchen Band.

A theatre-luncheon party is arranged for Saturday at the Barn Dinner Theatre at Ellisville, Mo., to see the drama "Until Dark."

The local chapter will take part in a District 14 dinner meeting at 1:15 p.m. Sunday, at the Stratford Hotel in Alton, when Violet Davis, president, elect of the Illinois State Federation of Business and Professional Women's Clubs, will be the guest speaker.

Autumn Leaves Topic of Club

A program on "Why Leaves Turn Color in Autumn" given by Mrs. William Bradley and a discussion of an all-foliage arrangement made by members were events taking place at a meeting last week of the Cloverview Garden Club.

Members were entertained at the home of Mrs. B. C. O'Neill, 3901 Wabash Ave., for a 12:30 dessert luncheon. Prior to the business meeting, a silent auction was held as a fund raising project.

Mrs. Kenneth Brokaw, president, presided and the club collect was read by Mrs. George Knapp. Others present were Mesdames Richard Branding, Darle Deremo, John Jenkins, John Lentz, Fred Orr, Leo Roman and a guest, Mrs. Thomas Williams.

Announcement was made of a board meeting of District V, Garden Clubs of Illinois, Inc., Thursday in the home of the director, Mrs. B. J. Iselhardt, 7 Oak Ridge Drive, Edwardsville, at 9:30 a.m. All presidents and committee chairmen are to attend.

A President Council Day will

Surgeons Induct Benjamin Arenas

Benjamin S. Arenas, M.D., was inducted as a new-fellow member of the American College of Surgeons during the 88th Annual Clinical Congress in San Francisco, Calif.

The fellowship degree entitles the recipient to the designation "F.A.C.S.," following the doctor's name. It is awarded to surgeons who fulfill comprehensive requirements of acceptable medical education and advanced training as specialists in one of the branches of surgery, and who give evidence of good moral character and ethical practice.

The American College of Surgeons is a voluntary scientific and educational association of

surgeons, numbering 33,000 in approximately 100 countries. The college was founded in 1913 to improve care of the surgical patient and has pioneered in many directions to make surgical care as excellent as possible.

A general surgeon, specializing in cardio-vascular surgery, Dr. Arenas has been a member of the medical staff of St. Elizabeth Hospital since June 1967. His offices are located in Collinsville.

OCTOBER MEETING IS HELD BY JOLLY EIGHT
Jolly Eight Canasta Club members met last week in the home of Mrs. Betty Allen. Games were played upon arrival of the members and a guest player, Mrs. Mary Adams.

Prizes were awarded to Mesdames Virginia Kittel, Ruth Kowalski, Lucille Broyles and Mary Etta Wanbaugh.

Other members participating in games played were Mrs. Donna Petras, Mrs. Delores Riddle, Mrs. Betty Allen and Mrs. Mary Allen. Mrs. Petras will be the November hostess. Dessert and coffee were served during the stay at the home of Mrs. Allen.

BETHANY OFFICERS INSTALLED AT SUPPER

The Bethany Sunday School Class of the First Baptist Church met in the educational building of the church last week. A pot luck supper was enjoyed, with the Rev. and Mrs. Paul Davis and Mrs. Lucille Veach as guests.

Rev. Davis offered prayer prior to the supper period. Immediately after the supper, the Rev. Davis showed films of him and his family on their summer vacation in Florida.

Mrs. Vasta Williams, class teacher, offered prayer. Announcement was made of cards sent to members who are ill.

Mrs. Lucille Veach installed the following officers for the 1972-73 class year with a theme of "Diamond Opportunities": Mrs. Pauline Cox, outreach leader and treasurer; Mrs. Ethel Stone, class historian; Mrs. Gertrude Ashford, Mrs. Bernice Whitton and Mrs. Hilda Jackson, group leader; Mrs. Hilda Jackson, musician; and Mrs. Williams, teacher.

Mrs. Geraldine Stein was among those attending.

gote effect over the long skirt.

The fitted bodice featured a Victorian neckline and long bishop sleeves ending in points over the hands, and the skirt swept into a chapel train.

A bouffant veil of illusion was held in place with an organza bow and Venice lace petals encircled with tiny seed pearls. She carried a bouquet of white roses.

Attendants were Mrs. Alan Johnson and Mrs. Charlotte Johnson, both sisters-in-law of the bride, Miss Vicky Wanda Harris and Miss Maureen Suarez.

They wore identical formal length gowns fashioned of red velvet in Victorian style. Their dresses featured Empire waists, defined at the back with a small bow. Each girl wore a matching velvet pill box hat and held a white Bible topped with a single red rose.

The little flower girls, Vickie and Michelle Stagg, appeared in royal blue velvet frocks with matching pill box hats. Each carried a white basket filled with red rose petals.

Debbie and Sherry Kent, sisters of the groom, wearing blue velvet dresses designed in similar style to the adult attendants' gowns served as candlelighters. Mark Godare, a cousin of the groom, was the ringbearer.

Preceding the wedding party along the aisle were Robbie Kent, also a sister of the groom, and Donnie Martin, who were attired as a miniature bridal couple.

The groom chose his brother, Alan Johnson, to serve as best man. Jimmy Radcliff and Larry Godare, both cousins of the groom, and Mike Johnson, the bride's brother, were groomsmen.

Keith Mathenia and Frank Bechtell seated the guests.

The mothers of the bride and groom selected floor length gowns in a blue and white fabric, complemented with matching accessories. The corsages were made up of white roses.

A reception was held in the church fellowship hall immediately following the ceremony. Members of the wedding party were entertained at a rehearsal dinner Friday evening hosted by the groom's parents in the church hall.

Both young people are graduates of Granite City High School. The former Miss Johnson was employed in the Intensive Care Unit at St. Elizabeth Hospital.

The couple will live in Ocean Side, Calif., where the groom is stationed with the U.S. Marine Corps.

Wilson School PTA bake sale tomorrow night 7:00 P.M. in conjunction with National Education Week and open house. Cakes, pies, cupcakes and cookies will all be available.

If you are interested in Slavic culture, you'll enjoy the exhibit of Slavic and East European memorabilia on the first floor of the Lovejoy Library at SUE. Among the items on display are dolls dressed in native costume.

This is the final week of Christmas Club '72. Checks to pay those Holiday bills will be on their way to happy members soon. And be sure to join the happiest Christmas Club members in '73. You'll find them at The First National Bank in Madison when the new Club starts soon.

600 MADISON MADISON, ILL.

CANDLELIGHT CEREMONY. Marine Corporal and Mrs. Terry L. Kent, who were married Saturday evening at Tri-City Park Tabernacle. The bride is the former Miss Deborah Jean Johnson, a daughter of Mr. and Mrs. Alfred Johnson, 4542 Maryville Road.

Deborah I. Johnson and Terry L. Kent Are Wed

Hurricane lamps with lighted tapers illuminated the aisle and a golden arch of burning candles flanked with two white columns, holding bouquets of red roses, decorated the sanctuary of Tri-City Park Tabernacle for the wedding Saturday evening of Miss Deborah Jean Johnson and Corporal Terry L. Kent, U.S. Marines.

Officiating at the 7 o'clock double ring ceremony was the Rev. John Polizzi.

Mrs. Edward Collins presided at the organ for Randy Hildreth as he sang "Love is a Many splendored Thing" and the Lord's Prayer. She also accompanied the organ.

Plan to attend the Las Vegas Party sponsored by the Madison "Y" Club this Saturday, October 21, at Polish Hall, 826 Greenwood. The fun begins at 7:00 P.M. and a supper snack is included with your \$2.50 ticket. Tickets are available from any club member or at the door.

Watch for them; they're coming early this year. We mean those charming Girl Scouts with their cookie sale. Girl Scout Cookie Sale starts the 20th of October and runs to the end of the month.

In observance of Veteran's Day, The First National Bank in Madison will be closed next Monday, October 23 and the Illinois date Saturday, November 11, 1972.

Amvets Auxiliary Post 51 will host a big spaghetti supper Saturday, October 21st from 2:00 P.M. to 9:00 P.M. at the Post Home, 5100 Lakeside Drive in Granite City. Music and entertainment will be provided. Tickets cost \$1.75. Proceeds go to run the group's Nursing Home project which includes visits with refreshments and Bingo to area Nursing Homes.

Don't forget the Revival Services, 7:30 P.M. each night this week, at the First Baptist Church, 5th and Alton in Madison.

Wilson School PTA bake sale tomorrow night 7:00 P.M. in conjunction with National Education Week and open house. Cakes, pies, cupcakes and cookies will all be available.

If you are interested in Slavic culture, you'll enjoy the exhibit of Slavic and East European memorabilia on the first floor of the Lovejoy Library at SUE. Among the items on display are dolls dressed in native costume.

This is the final week of Christmas Club '72. Checks to pay those Holiday bills will be on their way to happy members soon. And be sure to join the happiest Christmas Club members in '73. You'll find them at The First National Bank in Madison when the new Club starts soon.

Comment and Analysis

Oct. 16, 1972

Democrat Barringer Endorsed for State Comptroller as Well Qualified to Protect the Interests of Taxpayers

Illinois Nov. 7 will elect their first state comptroller. The position, stemming from the first Illinois Constitution in a century, replaces the office of auditor of public accounts.

The Republican nominee, State Representative George W. Lindberg, 40, of Crystal Lake, has received widespread praise as author of the state's new financial disclosure law for public officials. He has been a lawmaker six years after spending 13 years as legal counsel and vice-president of an investigative firm.

Rep. Lindberg has received many newspaper endorsements for the comptroller office on the basis of his pledge to be an active investigator — challenger of state bidding and spending. He has said he would aggressively expand the role of the comptroller beyond the scope initially envisioned for the office.

Although a "watchdog" concept has much to recommend it, there is a possibility that his attitude could encroach on the functioning of other state offices to an excessive degree. Taxpayers want full value for the money they contribute to state government, but they do not want a financial czar who recognizes no limits on his authority.

Dean Barringer, the Democratic nominee, has been credited with being the chief architect and author of the State Comptroller Act. The 41-year-old resident of Anna is about the only remaining state candidate from Downstate Illinois following the gubernatorial primary loss by Lieutenant Governor Paul Simon.

A doctor of philosophy, the former community unit school superintendent has been dean of business affairs of Shawnee College since 1969. An Air Force veteran with the reserve rank of major, he is lieutenant colonel in the Congressional district for the Air Force Academy.

When the comptroller law was signed last month, Dr. Barringer termed it a milestone in fiscal bringing the government to state government. Effective Jan. 8, 1973, it designates the comptroller as chief fiscal officer of the state.

It further centralizes the issuance of checks; instead of writing about 70% of the state warrants, as under the present partially centralized system, the comptroller will write about 32% — except those for unemployment compensation, emergency public aid and university payrolls.

Development of a uniform central accounting system for all state agencies will be the responsibility of the comptroller. Dr. Barringer had strongly advocated this so that the official can report accurately to the people the financial condition of the state on a monthly basis.

Republican Scott an Active, Effective, Innovative Attorney General Who Deserves Re-Election on Nov. 7

Contenders for the office of attorney general of Illinois are the incumbent, William J. Scott, 45, an Evanston Republican, and State Senator Thomas C. Lyons, 41, a Chicago Democrat. We favor the re-election of Mr. Scott on the basis of his outstanding record in public office.

State treasurer for four years, he was elected attorney general four years ago and immediately became active in fighting pollution. Literally hundreds of defendants have been required to cease or sharply curtail environmental contamination.

Attorney General Scott also has played an effective role on behalf of consumers. He has fought collusive bidding and has won many financial judgments against price fixers. Consumer funds to be reimbursed to taxing bodies.

In earlier public service, the Naval Air Corps veteran led a crime crackdown as a special assistant U.S. attorney and secured state legislative reapportionment through his efforts as the only member of his party on the State Electoral Board.

There are many aspects of Senator Lyons' record which are praiseworthy. A ward committeeman, former infantry captain and the son of a former Chicago police chief, he served as a

For the first time in Illinois history, the comptroller will receive a copy of each requisition and purchase order to supplement the invoice-vouchers and contracts entered into by the state.

As Dr. Barringer sees it, "The Bureau of the Budget can concentrate on planning for the next fiscal year, the state comptroller and state treasurer can concern themselves with the present fiscal year, and the auditor-general can audit the past year's state revenues and disbursements. Collectively, these officials should interrelate for better fiscal management of state government."

"We will now have a workable system whereby the internal control of pre-audit of invoice-vouchers is centralized to make sure that each request for payment of state bills is proper and accurate."

"This centralization of pre-audit authority will be in the comptroller's office, which is a part of the executive branch. The external or post-audit authority—to make certain that all funds were correctly spent—remains with the auditor-general, who is responsible to the General Assembly."

Such an approach appears sound and we also are attracted by his estimate that he could save the state between \$10 million and \$20 million—and allow more open competitive bidding on contracts—by paying the state's bills in a 30-day period.

Vendors, who have had to wait between 60 days and six months for their money, often have had to protect themselves by discounting their contracts at a cost to them of approximately 10%, he points out.

"This 10% has been added to the bid out of necessity. It is both legitimate and necessary at present, but the reason is Illinois' notorious reputation for slow payment of bills to vendors."

With the increased authority afforded by the new comptroller law, I would require that duplicate copies of every invoice be sent to me at the same time it is sent to the contracting state agency. This would enable me to see that every vendor has met the requirements of the contract previously filed with me. This would insure prompt payment if the contract has been fulfilled as specified.

Based on my analysis of the task and his understanding of how it can and should be carried out, the Press-Record favors Dean Barringer for election as state comptroller.

The emphasis should be on "first step."

The second step of the long journey is scheduled to begin, perhaps this year, in Geneva.

This is where the United States and the Soviet Union will get down to the heart of the matter — and try to reach agreement before the

On the other hand, the use of reserve and caution expressed by the nine members of Congress who voted against the agreements also is in order. All of them are sincere Americans concerned about the security of our country.

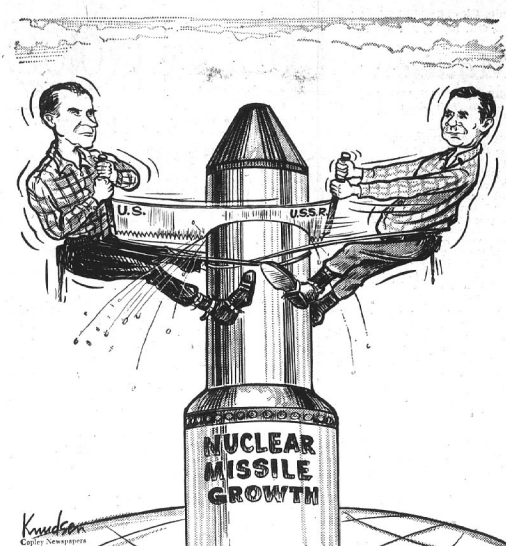

The strategic and anti-ballistic missile arms pacts could pose a calculated risk to that security.

In the heady atmosphere of actually signing such important documents, it also is well to underscore the words of President Nixon that "we now must move from this first step to the vitally important next step in which we consider the full range of offensive nuclear weapons arms try to find agreement between our nations."

Mr. Scott seeks a second term because "so much still remains to be done." We hope that on Nov. 7 he receives a mandate to continue his energetic and skilled performance as this state's chief legal officer.

It's a puzzle. Whereas prior to the conventions members of the administration were claiming the press was anti-Nixon, now the McGovern camp is charging the press is soft on Nixon and tough on McGovern. Watch for more of the same.

Nearly every luxury eventually becomes a necessity.

Arms Pact, a Cautious First Step, Buys Peace Hopes

Copley News Service

The cordial atmosphere that prevailed in the East Room of the White House as President Nixon and Soviet Foreign Minister Andrei Gromyko placed into force the world's first agreement to limit nuclear armaments undoubtedly reflects a hope felt around the world.

The overwhelming 88-12 vote in the Senate and the 329-17 vote in the House by which the interim defensive and offensive missile limitation agreements were approved express the yearning of American people for genuine and honest efforts for peace.

Indeed, the opinion by Mr. Gromyko that the interim accords represent "the principle of equal security of the parties and offer no one nation unilateral military advantage" is similar to the Jackson amendment attached to the missile accord in the Senate.

On the other hand, the use of reserve and caution expressed by the nine members of Congress who voted against the agreements also is in order.

All of them are sincere Americans concerned about the security of our country.

The strategic and anti-ballistic missile arms pacts could pose a calculated risk to that security.

In the heady atmosphere of actually signing such important documents, it also is well to underscore the words of President Nixon that "we now must move from this first step to the vitally important next step in which we consider the full range of offensive nuclear weapons arms try to find agreement between our nations."

The emphasis should be on "first step."

The second step of the long journey is scheduled to begin, perhaps this year, in Geneva.

This is where the United States and the Soviet Union will get down to the heart of the matter — and try to reach agreement before the

TOPPING IT OFF

As Communist China, that already have embryonic nuclear capabilities.

They are an unknown factor in the security equation that cannot be ignored. Of two things we can be certain when Phase II of the so-called SALT conferences begin, as certain as night follows day, the Soviet Union will not bargain away one iota of its security. It will seek superiority.

This should guide the United States also as it plays the deadly serious game at Geneva.

Religion? It Has Something to Do With Getting Involved and Caring

What does religion mean to Quad-Cityans individually and collectively in this day and age of skepticism and rebellion and cynicism and rapidly changing values?

Quite a bit, we suspect. Religion sums up concepts and attitudes that can be scorned by glib talk but that still go a long way toward giving life its purpose and toward making one's daily responsibilities not only acceptable but satisfying.

Newspapers like the Press-Record have for some time aided and abetted programs like that of Religion in American Life.

RIAAL consists of 39 cooperating religious groups representing millions of people — Catholic, Jewish, Orthodox and Protestant. They are an unknown factor in the security equation that cannot be ignored.

Of two things we can be certain when Phase II of the so-called SALT conferences begin, as certain as night follows day, the Soviet Union will not bargain away one iota of its security. It will seek superiority.

This should guide the United States also as it plays the deadly serious game at Geneva.

60% Vote Needed to Retain Judge

By LYLE W. ALLEN President Illinois State Bar Association Under provisions of the new Constitution regarding the election of incumbent judges, each individual judge seeking re-election on the retention ballot in the Nov. 7 general election must receive 60% of "yes" votes among all votes cast for or against him to be retained in office. Formerly, only a simple majority of votes was required.

The new Constitution provides that "The names of judges seeking retention shall be submitted to the electors, separately and without party designation, on the sole question whether each judge shall be retained in office for another term. The retention elections shall be conducted at general elections in the appropriate judicial district, for supreme and appellate court judges, and in

WOMEN'S SOCIETY OF CHRISTIAN SERVICE

Mrs. Lu Ann Briner, president, conducted the October meeting of the Women's Society of Christian Service at Nameoki United Methodist Church, Mrs. Virginia Carroll offered the opening prayer and Mrs. Dorothy Luckert gave the devotional, "The Great Discovery." Announcement was made of the World Community Day, sponsored by Church Women United, on Friday, Nov. 3, at 7:30 p.m., at Central Christian Church. The program theme is, "The Coming of Age."

The Lydia Circle will meet at 1 p.m. Thursday at the home of Mrs. Lucille Webb, and the Every Member Busy Circle will meet at the church on Oct. 23. This Circle also will hold a work night in preparation for the Church-wide bazaar Tuesday at 7 p.m. at the home of Mrs. Helen Bischoff.

The bazaar will feature a spaghetti supper and booths which will be set up at the church on Saturday, Oct. 28. Hostesses Mrs. Ruth Hancock and Mrs. Carol Evans served refreshments, using a Halloween theme for the decorations. Hostesses for the next meeting will be Mrs. Mary Jo Hein and Mrs. Mary Jane Fester.

Closing prayer was led by Mrs. Virgie Darns. Others present were Mesdames Vivian Giska, Mildred Nane, Glydas Russell, Lucille Russell and Bernice Sawyer.

PARVIE SCHOOL OPEN HOUSE THURSDAY
Parkview School will host its annual "Open House" Thursday from 7:30 to 9 p.m. A special physical education demonstration on the "whistle" will be given in the gym at 7:30 p.m. and 8:15 p.m., under the direction of Miss Leigh Heller. Refreshments will be served and new memberships will be available. The classroom with the winning percentage parents joining PTA will receive a \$10 prize.

Christmas gift wrap will be on sale for \$1.50 per package. The executive board met Thursday night at the school to complete plans for current projects. Mrs. Pat Gunter, president, was in charge. She reminded all of the Area Council Fall Conference on Oct. 28 at the high school. A new district director will be elected.

TWO ARE HONORED BY GIRL SCOUT LEADERS

Girl Scout leaders of Neighborhood Three held a farewell pot luck dinner at Wilson Park last week in honor of Mrs. Vivian Davis, who is moving with her family to St. Louis County, and Miss Vicki Yetter, who is teaching at New Berlin, near Springfield, Ill.

The leaders presented the honored guests with silver charms inscribed with "in appreciation of your outstanding work."

A large cake centered the table, which was decorated in the scout colors of green and yellow with daisies and a trefol.

Following dinner, the chairman, Mrs. Doris Stotz, introduced guests, Mrs. Diana Hessel, district chairman, and two former chairmen, Mrs. Helen Santiago and Mrs. Virginia Martette. Mrs. Davis also has served in this capacity.

Due to a change in the district meeting, Mrs. Stotz announced that, beginning in November, the schedule will read as follows: second Tuesday at 2210 Hodges Ave., 9:30 a.m., service team meeting; and third Tuesday, association leaders' meeting at St. John's United Church of Christ at 9:30 a.m., with Marshall School leaders as hostesses.

A report was given on the annual recognition dinner Oct. 24 at 6 p.m. at St. John's United Church, with Neighborhood Three as hostess. Neighborhood One will arrange table decorations. Two tickets, four brochures of tenure, five greeters, six favors and seven, name tags.

Mrs. Hessel will serve as master-of-ceremonies. The tickets are \$2.50 and may be purchased from the individual

WHAT IS THE EFFECT OF ALCOHOL ON DRUGS?

We hear this question very often and it is an important one. For, alcohol can interfere with a great many types of drugs. Anticoagulants, certain sulphonyl medicines, insulin, analgesics, many tranquilizers and anti-histamines are a few of the major categories of drugs affected by alcohol.

To always be on the safe side, it is a good idea not to have a drink while on any medication. If there is some special occasion or situation involved, you should make it a point to check with your physician and to mention it when you bring in your prescription.

YOU' OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

1972-73 BOSS OF THE YEAR. Norman LeTouneau, a General Steel Industries executive, center, receives congratulations from Charles P. Whitehead, former president and chairman of the board, General Steel Industries, and the first "Boss of the Year" to be selected by the Tri-Cities Chapter, National Secretaries Association, in 1964. At right is Miss Twila Edmonds, chapter president. The award was conferred at the group's annual "Boss Night" dinner.

Norman LeTouneau Named 'Boss of Year'

Norman LeTouneau, an executive in the corporate accounting department of General Steel Industries, Inc., was selected the "1972-73 Boss of the Year" by the Tri-Cities Chapter, National Secretaries Association, at its annual "Boss Night" dinner held last week at Mr. Yac's in St. Louis.

Special congratulations were extended to LeTouneau, the ninth honoree to be chosen by the chapter, by Charles P. Whitehead, former president and chairman of the board of General Steel Industries, who was named the first "Boss of the Year" in 1964.

LeTouneau and his wife, Anne, who reside at 116 Thomas Terrace, Edwardsville, have been avid supporters of NSA and the Tri-Cities Chapter. His

secretary, Miss Jane Davis, is a charter member of the local chapter.

Mr. and Mrs. LeTouneau have one daughter, Mrs. Judy Merkel of St. Louis, and two grandchildren. He is interested in bowling and music and has entertained at past NSA functions by playing the piano. The honored guests were completing his 44th year with General Steel Industries.

Other "bosses" honored since the program was started in 1964 include N. R. Brink, Harry Thebaud, Larry Siedner, Walter Elliott, Mrs. J. Seekun, David Reid and Elroy Rule.

Mrs. Helen Gieselman served as chairman of the "Boss Night" committee and Mrs. Linda Frichley was the mistress of ceremonies.

preciation for their guidance during the past months. All the girls who were members during the past year signed the books.

Anita Turner presided, Marian Yevins gave the pledge to the flag and Mary Ann Bequette led the 4-H pledge.

Members introduced themselves, telling how many years they have been active in 4-H. New members welcomed were Crystal Andrews, Sandy Haupt, Shelia Hintz, Karen David, Christy Kreckovich, Connie Robbins, Debbie Murphy and Dennessa Haggerty.

A project night will be held Thursday at Nameoki United Presbyterian Church. Mrs. Laurie Hintz will instruct the girls in German cross stitch, and assistance will be available for all projects.

Copies of the October newsletter were distributed, and pencils with the 4-H motto and

Miss Twila Edmonds, chapter president, welcomed the guests and introduced Elroy Rule, the 1971 Boss of the Year, who announced this year's selection.

Another award was presented at the dinner when the chapter recognized their newest certified professional secretary, Mrs. Gail Foley of Ralston Purina Co., and presented her with a CPS pin. Mrs. Charles Yuvovic, also a CPS, made the presentation.

A gypsy theme was used in the decorations and entertainment was furnished by Mrs. Yuvovic and the Royal Tambourinaires.

Polkas and folk dancing were enjoyed by the 35 members, bosses and other guests who attended.

Student Nurses Gain Experience

Nursing students from Southern Illinois University, Edwardsville, are gaining wider experience this year at St. Elizabeth Hospital since the area of instruction has been expanded to include emergency room and intensive care training.

Previously, SIUE student nurses received their practical experience on the medical-surgical floors at the local hospital.

Among the group of student nurses presently training at St. Elizabeth Hospital is Mrs. Jacqueline Haug of Granite City, who is working toward a bachelor of science degree in nursing.

pledge were given to each member.

Plans were made for a bake sale Saturday, Oct. 28. Members received their year's project books. Talks were given by Maria Schmidt, "What Fun You Can Have At a 4-H Camp"; Ann Uram, "What 4-H Members Are Required to Do"; and Anita Turner, "The Window Display At Grant's" (which received an "A" rating and blue ribbon).

Lori Malottki and Rosalie Ponce were hostesses serving cookies, and hostesses Karen Osburn and Maria Schmidt served drinks. A Halloween theme was used for the table decor.

Guests were Becky DeKuntz, Debbie Daigler, Becky Gibbs and Mesdames Josephine Uram, Helen DeKuntz, Margaret DeKuntz, Loretta Kreckovich, Sharon St. Ivany, Yevins and Agnes Butler.

Other members attending were Cheryl Bellue, Theresa Butler, Maryann Colbert, Jo Marie DeKuntz, Kathleen DeKuntz, Rita DeKuntz, Jane Friederich, Linda St. Ivany, Denise St. Ivany and Betsy Slate.

The next meeting will be Nov. 2 at the church.

VISITORS HERE FROM ENGLAND
Master Sgt. (retired) and

Mrs. Clifford Yarborough, 66 William John Court, have as their house guest, Mrs. Margaret Holmes, of Stratford-on-Avon, England. Mrs. Yarborough had been home as a child with her cousin, Mrs. Holmes and her family in England.

Yarborough is retired from the U. S. Army after 26 years service. The group will tour area attractions, including the Arch, and also will take trips to Kentucky Lake and Silver Dollar City.

FAREWELL, BIRTHDAY
The "Erikson Transport" provided entertainment at a party hosted by Barbara Miller, daughter of Mr. and Mrs. George Miller, 2577 Boyle Ave., in honor of Marcin Clark and Pam Reinhardt.

Marcin Clark is moving with her family to Arkansas and Pam Reinhardt was celebrating her 14th birthday.

Leader of the musical group is Ed Belling, and members include Jeff Larner and Marc Sheffield. All are students at Granite City High School.

Green and white streamers and psychedelic lighting provided the decor for the evening, and refreshments served included a birthday cake trimmed in the Grigsby Junior High School colors of green and white.

Gifts were presented to both guests of honor.

Those present included Kim Barr, Randy Belling, Val Beyard, Ardelle Cressy, Tony Crow, Kevin Galevich, Chris Gehlert, Robin Hayden, Charlie Haws, Maribeth Henry, Elaine Horne, Kelly Hunt, Timmy Leyman, Diane Marcus, Ron Martin, Matt McCollough, Larry Miller, Annette Meinyer, Rhonda Nesbit, Linda Parrish, Leo Pelek, Joy Pierson, Mickey Smith and Debbie Rea. Also present were the hostesses, sister, Kathy Miller, and Mark Sobol.

WHAT'S EVEN FRESHER THAN A DAISY?

Answer: Electricity.

The electricity to operate your lights or appliances is generated at the very instant you flip the switch. And it's delivered to your home from miles away at the speed of light.

Because there is no way to store up the vast amounts of electric energy demanded by homes and industries, the power must be generated at the exact moment of demand. To accomplish this daily miracle of delivering energy to the switches of hundreds of thousands of customers—instantly—requires the finest modern technology, experienced people and a huge investment in generating and transmitting equipment. It also takes planning that looks far into the future to anticipate our customers' demands.

Producing electricity—and delivering it to you fresh every instant of the day or night—is our business. Using electricity wisely is everybody's business.

IT'S OUR BUSINESS TO SERVE YOU BETTER

What Have You Got to Lose?
That's right, what have you got to lose by stopping by
Mathews Chevrolet?
Maybe your money, by not stopping by Mathews and
comparing our deals on a new or used car.
We want to make the best deals possible to please you!
Putting you in a Chevrolet is our goal. We will do every-
thing possible to achieve this goal. This includes the best
deal we can make on a new or used car!
Stop by Mathews and we will deal honestly, straight for-
ward, and openly on a new or used car!
So why go across "The River" when you have a Chevrolet
dealer here in YOUR community who will give hometown
people an honest down to earth, hometown deal.
Sincerely,
Jack R. Mathews

HAIR UNLIMITED THE ONE-STOP BEAUTY SHOP
Located at 2264 State Street, Hair Unlimited, the one-stop beauty shop, is delighted to welcome back Karen Davis to its staff. Karen has returned to Hair Unlimited after a recent illness. The entire staff says, "We're glad to have you back!" And it goes without saying, so do all of Karen's customers.
Along with Karen to serve you is Shirley Sanders, Jane Jarmen, Pat Fishen and Judy Sloan, and of course, Mauri Diekey, proprietor.
For your convenience we will now be open on Mondays. No appointment necessary Monday through Friday 8:00 A.M. to 7:00 P.M. or Saturday 8:00 A.M. to 2:00 P.M. You may make an appointment by calling 877-6588 or 876-9906.

Card of Thanks 32
We wish to express our thanks to relatives, friends and neighbors for their kindness, sympathy and flowers, also to those who contributed food during the recent loss of our loved one. Special thanks to Rev. Baugh, the ladies of the Harmony, Class at Niedringhaus Methodist Church, the pallbearers, Moose Lodge #222 and Mercer Funeral Home.
The Wife and Family of
HARRY L. (VERNE) HARTLINE
32-10-16

In Memoriam 33
In loving memory of our beloved one, **EDWARD C. JACOBS**, who passed away one year ago October 16, 1971. They say time heals all sorrow and helps us to forget. But time, so far has only proved how much we miss you yet. God gave us strength to face it and courage to bear the blow; But what it means to lose you, no one will ever know.
Sadly missed by
ALL WHO LOVED YOU
33-10-16
In memory of **JOSEPH V. RADY** who passed away Oct. 16, 1971. This day comes with sad regret it brings back a day we will never forget. He left this world without a goodbye. But our memory of him will never die.
Sadly missed by—
WIFE, DAUGHTERS, SONS, DAUGHTERS-IN-LAW and GRANDCHILDREN

GRANTMASTER TIRE GUARANTEE

1. Tread Life Guarantee Against Road Hazards: We guarantee all Grantmaster tires against failure from all normal road hazards for the life of the tread with the exception of: ordinary wall punctures, fire, theft, fire and misalignment, underinflation, overinflation and running flat.

2. Tread Life Guarantee Against Defects: We guarantee the Grantmaster tires against all defects of material and workmanship for the life of the tread.

Basis of Adjustment: Should your Grantmaster tire require adjustment under Section 1 or 2 of the Guarantee, please return it to Grants and allow us to inspect the tire. We will replace it with a new tire of the same size and type at the current retail selling price, including Federal Excise Tax.

3. Guaranteed Against Tread Wear: The original tread is guaranteed not to wear out for the number of months designated in the table below. If the tread wears out during this period, the tire should be returned to Grants and we will replace it, charging the current retail selling price plus Federal Excise Tax less the following percentage allowance toward the purchase of a new tire.

Tire Guarantee	Allowance
18-27 Months	25%
28-40 Months	35%

This guarantee covers tires in passenger car service only. Passenger car tires used in commercial service reduce the guarantee period by 50%.

48-MONTH BATTERY GUARANTEE

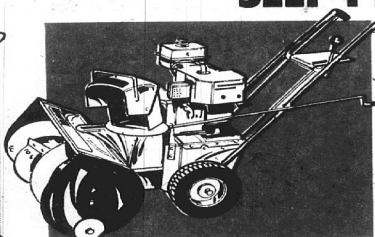

Battery replaced free if defective within 90 days. After 90 days, credit will be allowed on current price of new battery prorated for unused months of original guarantee.

GRANTMASTER 480 LONG-LIFE BATTERY

SALE \$19⁸⁸
price, with old battery

Fits most GM, Ford, Chrys. Corp. cars. Advanced design. Greater starting capacity.
